Dear Mr. Kent,

Thank you for forwarding discussion paper on Egg Industry Stabilization, I have sent copies to all Branches of our Association for consideration and comment.

Our half yearly Conference of Central Council of Commercial Egg Producers' Association of Victoria meets on 17th June, 1983; at which all Branches of Northern and Central Victoria will be represented, so I would like to request that our Association be granted an extension of time until 22nd June, 1983.

Hoping that this meets with your approval,

I am  
Yours sincerely,

K. Fitzgibbon,
