Dear Sir,

I understand that you are compiling a book on Agriculture in Bendigo over the last 150 years.

The Commercial Egg Producers' Association moved that I write expressing their interest and willingness to help with any information they could supply,

Yours faithfully *J. Hand.*

Secretary South Bendigo Branch C.E.P.A.

Dear Ms. Heard,

I refer to your letter dated 30.3.84, regarding our proposal to produce a book on the history of agriculture in the Bendigo district.

The development of the pig and poultry industries in the district is a subject which would have to be included in our book. Any information which you could supply would certainly be most welcome.

I thank you for your offer of help, and will be in touch at a later date when our author (soon to be commissioned) gets underway.

Yours faithfully,
