Dear Sir,

It was moved at our last combined meeting that I write to you with the following request^s

That members of the Poultry Advisory Board be bona fide representatives of poultry industry organizations and nominated by same.

Secondly that annual meetings be held to appoint office bearers.

Finally that a close watch be kept on the amount of meat meal exported when home supplies are in short supply.

Thank you for the interest and support that you are giving to the industry.

Yours faithfully

Joan Heand

Secretary South Bendigo Branch.
