Dear M/s Heard,  
re: Workers' Compensation

Thank you for your letter of November 15, 1984.

The Opposition as you will be aware is very concerned about the possible implications of this Government proposal for a single fund plan for all Workers' Compensation. It is felt that, although the initial contributions may seem advantageous, in the long term there will be a steeply spiralling escalation of premiums to employers.

I am also sending a copy of your letter to the Shadow Treasurer, the Honourable Jim Ramsay.

Yours sincerely,

A handwritten signature in blue ink that reads 'John Radford'.
