Mr. K. Fitzgibbon,
STRATHFIELDSAYE VIA BENDIGO 3550

Dear Kevin,

As the Bendigo area represents a significant portion of the Victorian Egg Industry, the Board has scheduled its August Meeting on the 21st to be held in the Bendigo Municipal Offices. We believe that the Bendigo area will be clear of quarantine problems by August.

After completing the formal part of the meeting, the Board would like to invite people associated with the Industry to lunch at the Shamrock Hotel, Pall Mall, from 1.00 p.m. to 2.15 p.m. to discuss the Board's Five Year Plan and matters of mutual interest and the Board will then hold a meeting with producers in the afternoon.

The Victorian Egg Board would like the opportunity to recognize your association and support of the Egg Industry and I therefore extend an invitation to you to join Members of the Board for lunch on the 21st August.

Could you please advise Mrs. Jean Vipadi on (03) 798 7077, of your ability to attend so that arrangements can be finalised.

Whilst recognizing time is an important assets, we would be grateful for your acceptance to this invitation.

Yours faithfully,
THE VICTORIAN EGG MARKETING BOARD
