

Mr K Fitzgibbon
Secretary
Central Council
Commercial Egg Producers Association
of Victoria
STRATHFIELD SAYE VIC 3551

Reference No. 46802
5 February 1986

Dear Mr Fitzgibbon

The terms of office of Mr D J Foster and Mr P W Carpenter as producer members of the Victorian Egg Marketing Board will expire on 30 June 1986.

Section 8 of the Marketing of Primary Products Act 1958, requires that a producer member of the Board is to be a person who derives a substantial portion of his income from the production of eggs and that he is to be appointed on the recommendation of the Minister after consideration of panels of not less than three nor more than five names submitted by any organisation or organisations considered by the Minister to represent producers.

I would be grateful if you would submit a panel of at least three and not more than five names of qualified growers to enable the Minister to consider the nomination of suitable persons for appointment by the Governor in Council for a term of office commencing 1 July 1986. Your attention is drawn to the Government's guidelines on equal employment opportunities, and you should therefore give consideration to including the names of both men and women in the panel.

The following information is required in respect of each person whose name is included in the panel:

Full name
Date of birth
Address
Qualifications and positions held
Industry and business experience and any other details that you consider are appropriate.

Before including the name of any person in the panel you should advise each such person that, in the event of their being selected for appointment, they will be required by the Government to complete a declaration of pecuniary interests. Copies of the form of declaration are attached.

In order to finalise the appointments before the current terms of office expire, I would be grateful if you would let me have your response by 14 April 1986.

Yours sincerely

D E HORE
ACTING DIRECTOR-GENERAL
