Association of Victoria

STRATHFIELDSAYE VIC 3551

Dear Mr Fitzgibbon

The Minister has asked me to write and let you know that the Governor in Council has now made various appointments in connection with membership of the Victorian Egg Marketing Board.

Enclosed is a statement setting out details of the appointments that have been made.

You will note that the term of office of the newly appointed Board members is for a period of one year. The period of appointment is shorter than usual due to the fact that a number of public bodies, including the Board, have been nominated for review by the Public Bodies Review Committee in accordance with the Parliamentary Committees Act 1968.

Yours sincerely

for DAVID F SMITH
