Dear Alan,

Your letter of the 20th September, 1985 re Amendment to the Marketing of Primary Products Act was discussed at a recent meeting of this Association.

Two comments we would like to make are:-

(1) We would like clarified in system 2 the term - "Producers can pay administration and marketing costs on the basis of 7.5. cents per issued quota hen per fortnight."

(2) "Under the New South Wales' quota levy scheme, quota may be surrendered to the Corporation for a minimum period of four weeks (and thereafter in minimum periods of two weeks) for at least 15% of quota held."

We suggest the 15% quota held be replaced by 10% quota held.

Yours sincerely,

K. Fitzgibbon,
SECRETARY.
