Dear David,

We have been informed that Mr. Cain will be coming to Bendigo on Wednesday 18th June, 1986, and we would be very grateful if you could arrange a deputation with him and representatives from this Association during his visit.

We have not given up hope on having the Board's decision on dockage changed and we would like to have the opportunity to point out to Mr. Cain that phasing out of the dockage scheme will have disastrous effects on country producers.

Hoping that you will be arrange this,

Yours sincerely,

K. Fitzgibbon,
