Dear Charles,

Following our discussion in Melbourne on 7th May, 1986 re correspondence between our Association and the Board requesting a deputation of the full Board with our Association; I am enclosing photostat copies of 6 letters I have written to the Board.

Although all of the letters were not sent to you as Secretary (2 were sent to Alan Harrison, Manager), they should have been presented at a Board meeting.

Yours sincerely,

K. Fitzgibbon,
