Dear David,

On behalf of the Commercial Egg Producers Association of Victoria,
I would like to request that you arrange a meeting of the Rural
Committee of the Labour Party with our Association as soon as possible.

It seems that the Egg Marketing Board has no intention of changing
their decision on the dockage issue and will implement the proposed
changes on 1st July, 1986.

Hoping you will take immediate action on our behalf,

Yours sincerely,

K. Fitzgibbon,
SECRETARY
