Dear Kevin,

Thank you for sending me a copy of the letter you sent recently to Mr. Evan Walker, Minister for Agriculture and Rural Affairs requesting a representative from Northern Victoria on the Victorian Egg Marketing Board. I have supported this request, as I indicated recently to Dennis Oakes.

Thank you also for your complimentary works on aspects that you have praised on Mr. Walker's policy statement regarding the Public Bodies Review Committee report on the egg industry.

May I take this opportunity to again confirm my strong support for stabilisation and my recognition of the importance of the egg industry in the Bendigo region.

Please be assured, as always, that I am keen to work with you on matters regarding the well being of the industry.

Yours sincerely,
