Dear Jean,

I write to you on behalf of the C.E.P.A. requiring:-

- (1) The names of all producers supplying eggs to Crystal Egg Company of Bendigo.
- (2) The Board's comments on our Grading Action Committee's submitted figures re the viability of a Co-operative Grading Floor for Bendigo producers. We would like the Board's Accountant to check through the figures and give comments and/or suggestions on same.

Hoping to have a reply at your earliest convenience.

Yours sincerely,

K. Fitzgibbon,
SECRETARY
