EAST MELBOURNE. 3002

Dear Bill,

At a recent meeting of this Association I was instructed to write to you re the following matters:-

- (1) To request copies of all papers that were given at a Poultry Seminar in Melbourne on 21st June, 1988.
- (2) To also request you to organise at your earliest convenience a Seminar on General Trends in the Poultry Industry to be held in Bendigo or Northern Victoria.

Producers find it very difficult to travel to Melbourne to enable them to attend these Seminars and if one could be organised in this area it would be of great benefit to our producers and we would make every effort to encourage a good attendance.

Hoping that this can be arranged in the near future,

Yours sincerely,

*K. J. Aggibon*
