Mr. E. Walker,
Minister of Agriculture and Rural Affairs,
P.O. Box 500,
EAST MELBOURNE, 3002

Dear Mr. Walker,

Following our deputation to you on Thursday 11th February comprising of members of this Association and Mr. Richard Guy of the Crystal Egg Company, I have to inform you that this Association does not agree with the statement made by Mr. Guy re the performance of the present Chairman of the Victorian Egg Board.

We believe that there could be many improvements in the leadership of the Board and a better understanding with country producers.

Yours sincerely,

K. Fitzgibbon,
SECRETARY
