CHAIRMAN'S REPORT:

R. Robins reported that the year had been more difficult than usual. We have
battled with The Public Bodies Review Committee Report, The Prices
Commissioner's Report into egg pricing and the problem with the Egg Board
changing egg grades to 7 gram steps which cost producers dearly. There is
also an inquiry into the Hen Quota System at the Federal level, through the
Agricultural Council.

There is no shortage of reports into the egg industry, but unfortunately with each report we see the producer losing more ground.

I was disappointed with The Public Bodies report in that there was nothing constructive in it and of the 80 odd recommendations that were put, nearly all were decided on Party Lines. This makes a farce of the whole report.

Regarding The Prices Commissioner's Report, we have had protest meetings in conjunction with the V.F.F. in an attempt to get Professor Fels to re-organise his 20,000 hen model farm into a practical and profitable working model. Prof. Fels is a consumer advocate and has played down farm expenses so low that the model farm is not viable.

Regarding the egg grade changes - The Egg Board has changed the grades to 6 Gram steps, this has helped producer's returns but we are still 4c to 5c below the August, 1986 price. This is still too low considering feed costs have risen around 25%.

I thank all members for their support over the year and I hope the industry will settle down and we will have a quieter year this coming year.

TREASURER'S REPORT:

M. Jackman submitted the following report:-

Bank Balance	\$2486.27
Sandhurst Trustees (Common Fund)	\$6000.00
Sandhurst Trustees (Common Fund)	\$2000.00
Sandhurst Trustees (Common Fund)	\$3000.00
Sandhurst Trustees 30 Day Acc.	\$4894.61
Total Assets	<u>\$18380.88</u>

Moved R. Braodbent, seconded D. Oakes that Treasurer's Report be received and outstanding accounts be paid when presented. Carried.

Moved G. Kean, seconded D. Oakes that reports be received. Carried.

AGENDA ITEMS:

(1) MINISTER'S RECOMMENDATION RE NEW LEGISLATION.

(2) DOCKAGE.

ELECTION OF OFFICE BEARERS:

Moved B. Lillee, seconded L. Bartels that all existing positions of Executive be returned with the exception of G. Guinness who is to be replaced by Neil Robins as Executive Member. Carried.
