Dear Mr. Luff,

I refer to your letter of the 22nd June 1988 accepting the Board's offer of a 5 year interest free loan for \$50,000 to be repaid at the rate of \$10,000 per year, commencing 12 months from the date when the loan monies are received by you.

The Board is pleased to be able to provide these funds to assist the College in developing techniques and provide training to improve the marketable quality of eggs thereby ultimately increasing egg consumption.

I enclose herewith the Board's cheque for \$50,000 and would like to assure you of the Egg Industry's continued support for the work being done by the College.

Yours faithfully,
