Dear Mrs Heard

EDUCATIONAL SESSIONS - BENDIGO

Thank you for your interest in the seminars that were conducted in Melbourne by the World Poultry Science Association.

I have forwarded your letter to Greg Parkinson and I am sure he will be in touch with you soon.

In relation to future seminars I am sure that the WPSA (Victorian Sub Branch) would favourably consider your request to conduct seminars in Bendigo particularly if you could cover the time, travel and accommodation costs of the speakers and take care of the meeting arrangements at your end. Sponsorship may be possible from some major companies in your area.

If your group decided to pursue this option may I suggest that you write to

Mr John Ritchie
President, WPSA(Victoria)
View Hill Road
COCKATOO VIC 3781

with topics you would like discussed and with an indication of the extent to which you would be prepared to meet costs.

Yours faithfully
