

NOTICE OF MEETING

VICTORIAN SUB BRANCH
LECTURE NIGHT FOR EGG FARMERS (1 JUNE 1989)

PROGRAM

1. DEMAND/SUPPLY MANAGEMENT - THE INTERNATIONAL SCENE

Mr. Olle Winfridsson, Agricultural Economist, Agricultural Economies Research Institute, Sweden.

Mr. Winfridsson will talk on how production control through hen quotas is working in other countries.

This economist has advocated such production controls and will discuss their benefits.

2. HOW THE NEW EGG INDUSTRY LEGISLATION WILL EFFECT YOU.

Mr. Rob Keedle, Deputy General Manager
Egg Farmers of Victoria.

Mr. Keedle will report on the progress of the new legislation, and will highlight sections of the Bill which will directly affect egg producers and day to day egg marketing.

DETAILS OF MEETING

DATE: Thursday, 1 June 1989
TIME: 4.30 P.M.
PLACE: Egg Farmers of Victoria Auditorium,
Keysborough.
COST: \$5.00 - Includes Food and Refreshments

ALL WELCOME

Mr. Winfridsson was made available by the Egg Industry Research Council, who sponsored his visit to Australia to speak at the Ninth Annual Egg Industry Conference in Hobart on 8th June.

This is a joint WPSA - VEMB Function

(For further informtion ring Bill Stanhope 651-7352)
