Mr. Kevin Fitzgibbon,  
Secretary, CEPA,  
C/o Post Office,  
STRATHFIELDSAYE, Vic. 3551

Dear Kevin,

I was speaking to Ron Robins this morning who advised me that the CEPA had considered the idea of all Farm Pride Egg franchisees adopting the Code of Practice on their farms. He advised that CEPA had decided to oppose the idea and that you were writing to the Board to advise them of your decision. He also advised that a copy would be sent to me.

I suggested to Ron that if you were having some troubles getting the letter typed, we would be more than happy to offer the services of Mrs. Glenda Pedler to type up a letter for you. I feel sure that if you were to give her a hand-written letter upon your arrival at Crystal, she would have it done by the time you had your eggs off and your empties back on. All she would need would be some letterhead upon which to type your letter. As we have a word processor, she could even change some aspects of your letter for you if you decided after re-reading it that you wanted it changed.

Perhaps you can advise me how far you have progressed in the composition of the letter explaining the CEPA's reasons for opposing the idea of adoption.

Regards,

Yours sincerely,
