Mr K. Fitzgibbon
Secretary
Commercial Egg Producers Association
Strathfieldsaye Road
STRATHFIELDSAYE 3551

Dear Mr Fitzgibbon,

I refer to your letter of 6th August 1990 which was discussed at our recent Board Meeting.

The Board has prepared a Discounted Cash Flow Model which has been submitted to the Egg Prices Review Panel and we are attempting to arrange a joint meeting to review both Cost of Production Models and a Report that is being prepared by the Panel's Officers. The outcome of these consultations will be advised in due course.

The Board is required to make adjustments to prices in compliance with the Egg Industry Act 1989, Section 115, and in doing so takes into account issues raised by producers. A new Price Determination was prepared recently by the Board to incorporate the increase in packing material costs and we have now been advised by the Panel that our Determination has not been accepted.

It is suggested that your Association independently write to the Prices Panel to put forward your views in relation to an increase in the price for eggs paid to producers.

Yours faithfully,
THE VICTORIAN EGG MARKETING BOARD
