Dear Le-Anne,

Many thanks for the tour on Sunday. I've enclosed the photo copies as promised. Richard Williams was my Great-grandfather, my grandfather being Albert James who married Annie Edith Northcott, George Lansell's neice. Annie's father was not William Northcott but his brother. I've enclosed the other photo copy as I find it an interesting story (my sister has the original magazine).

If you remember the Lansell sisters names and address or phone number will you please let me know as we are interested in getting a copy of the family tree.

Cheerio for now,

Regards,

(Mrs.) W. Ellis

PS I believe the book "Bendigo and Vicinity" was written in the 1880's. The State Library in Melbourne has copies of it.
