To Mr Ingleson.

Dear Gentleman.

I'm deeply sorry to state I'm not
able to pay my rates at the
Present time. owing to my sons
not being able to get work.
They are now out forsoaking
to try and get some money to
pay the rates. that if they can get
any gold. I'm quite willing to pay
the rates as soon as I can.
If the boys had been given a
Chance on the works the same
as anybody else. I would have
been able to do what I want
I'm just about driven crazy
no work for them. and my health
cant stand much more now
Dear Gentleman. I once more say
I'm quite will to pay as soon
as I have got the money to do so.
I have not got nothing here for
any to take from me.

Hoping in you will leave this stand over
for a while longer to see what I can do.
Remains your M. D. P. of Bendigo
