Bendigo.

Dear Sir,

Further to the letter from the Secretary to the Premier dated 2nd June, I desire to advise you that the scheme referred to in your telegram does not embrace grants for relief works. As you will see by the circular forwarded to the Town Clerk, it is simply an extension of the work in return for sustenance system whereby persons who work in return for sustenance are entitled to receive sustenance to a greater value each week than those who do not work therefor.

Yours faithfully,
