The Town Clerk.

Dear Mr. Ingleson.

Will you convey to the Mayor
the following information. Mrs Ethel Odgers has
a son eligible according to age to apply for sustenance.
I would recommend a load of wood, but consider
Mrs Odgers most unreliable, and that it is
inadvisable to give other help when there
is the opportunity for application to be made
in the proper way.

Yours faithfully

Mr Bennetts

Dear sir I beg to bring
before you my very distressed
circumstances. I am a widow
my husband died of Miners Phthisis
and I have to struggle along the
best way I can. I have two boys
out of work the oldest has been
out for two years and the four
of us have to live on the few
shillings the girl gives me out
of her small wages the youngest
is sixteen and ^{they} will take any
kind of work they have tried
to get work but cannot get anything
themselves, and I would like to know
if you could get them any of the
unemployed work I am nearly
distracted with the starvation
living it is hard when we cannot
get enough I have been in two or three
times to see you but have been
unsuccessful and I do trust, if
you know of anything you will
kindly let me know

I am yours respectfully
Ethel Edgers 14² Dillon st
