The Town Clerk.
Dear Sir.

re J. C. Watson Specimen Bill
who is applying for assistance with rent.
There may be no record in your office as to how the arrangement may be carried out if you decide to assist. No money is paid to the applicant but the agent is asked to call at the Town Hall or submit his account. The amount in any case should not exceed 8/- per week and is paid for not more than four weeks. This house is let at 5/- per week so I would suggest that four weeks paid to the agent would be quite enough to meet the needs of this case.

Watson called to see me on Saturday and is calling at the Town Hall today.

Yours faithfully
