The President & Board of Management,
Benevolent Asylum,
BENDIGO.

Gentlemen/

The Committee of the Mayor's Unemployment Relief Fund desire me to express to your Board the high appreciation of the members of the magnificent work performed by the Superintendent of your Institution as Distributing Officer since the inception of the Fund, and as Secretary of the Committee for the past nine months.

Words cannot adequately express the Committee's sense of indebtedness to Mr. Betteridge, without whose aid it would have been impossible to have afforded the measure of relief which has been given to the unemployed.

Since last Christmas, Mr. Wishart has acted as Assistant Secretary and prior to that for a lengthy period rendered valuable service which the Committee desires to gratefully acknowledge.

The Matron, Miss McIlroy, has always given her kind co-operation in the work, and the Committee is highly appreciative of her valued help.

Your Institution is to be congratulated upon possessing a staff who are not only so highly capable and efficient in their own particular sphere but who are so keenly sympathetic to those who have the misfortune to be unemployed.

Yours faithfully,

TOWN CLERK.
