

WAR PICTURES BY AIR MAIL /—/ INDUSTRIAL REGIMENT /—/ INTER-STATE TENNIS

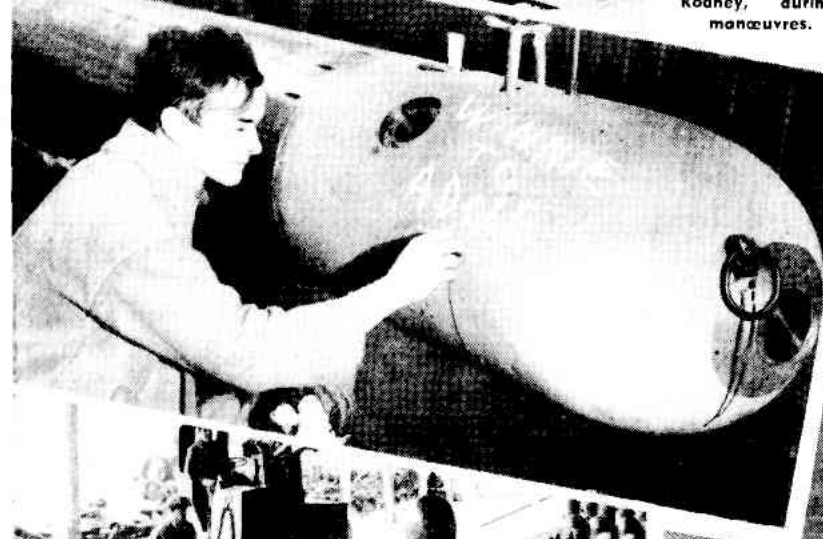

Mighty twins of the British Navy. H.M.S. Nelson seen from her sister ship, H.M.S. Rodney, during manoeuvres.

The full meaning of Armistice day was fully presented to the British soldiers who observed Armistice day, 1939, in a military cemetery "somewhere in France."

Latest air-mail picture of the Duke of Gloucester, who acted as guide to Dominion Ministers during a recent visit to a forward sector of the British lines on the Western Front. The Duke of Gloucester (left) is with Mr. Anthony Eden (right).

Torpedo heads stored in an English Admiralty factory in readiness for fitting to the "carcase."

ABOVE: A "present" to Hitler. Scene at an Admiralty torpedo test station in England.

A section of the employees of the firm of Schumacher Mill Furnishing Works Pty. Ltd., of Graham-street, Port Melbourne, manufacturers of industrial factory equipment, flour milling and food production machinery.

The Royal Air Force's new "Master" training plane for fighter pilots is now in full production in England, and has maintained a speed of over 500 miles and hour in a dive.

With a British convoy. A gunner scanning the sky for a raider with a new twin anti-aircraft Lewis gun.

IT STARTS TO-DAY!
