Dear Sir,

I am writing to inform you that your liability to render service under the National Service Act has been indefinitely deferred. You may therefore take it that you will not be called up for service under the present arrangements.

However, despite this, you may, if you wish, volunteer for service under the National Service Act. If you decide to do so, would you please advise me as soon as possible. If you should be interested in serving in the Permanent Forces, or in the Citizen Forces if you are not already a member, you should enquire at the Combined Services Recruiting Centre in this city.

Please keep this letter as it provides evidence of your deferment.

Yours faithfully,

(R. A. SMITH) *R.A.S.*
