In reply to your letter of the 2nd inst., we are pleased to enclose herewith list of purchasers and addresses in Thomastown Stations Subdivisions. The two plans enclosed are the only two plans which we happen to have in our possession.

We may mention that we did not consider whether we were under any obligation to supply this information, and we can assure you that it has taken us some time to go through the ledgers to obtain the information as supplied.

You will appreciate, of course, in regard to a number of the addresses, these may have changed since our last communication with them.

Trusting the information will be of some use to you.

Yours faithfully,
