Care of PRATT & WHITNEY AIRCRAFT

East Hartford, Connecticut

April 20, 1937

Mr. Donald McCorquodale
Care Experimental Drawing Office
Bristol Aeroplane Company
Filton, Bristol, England

Dear Sir:

Appointment as Engineer

I wish to advise you that you have been appointed as an engineer in this company, with salary at £450 (Australian currency) per annum as from July 1, next. You are required to report for duty at the North American Aviation Company, Inglewood, California, on this date, and will have the opportunity of studying the manufacture of the NA16 type aeroplane there for approximately six weeks. It is understood that you will arrange your own passage to Australia, via the United States.

Further instructions will be sent to you while you are at Inglewood and these will advise you more fully.

Upon return to Australia you should report for duty at our head office in Melbourne.

Yours faithfully,

L. J. Wackett, Manager
