Dear Sir,

OFFICERS

MR. D. BOWYER - MR. J. MOREY

We have now received Departmental advice of the Minister of Supply's approval to our proposal that Mr. D. Bowyer and Mr. J. Morey extend the period of their term of duties in France until the beginning of March, 1962, and also that the current rates of allowance remain applicable.

We have today written to Mrs. Bowyer and Mrs. Morey advising that their husbands will be remaining overseas for the extended period.

Yours faithfully,

SECRETARY.
