Subject : ATAR Handling Equipment

Dear Sir,

Enclosed herewith are copies of (2) letters sent to the Air Attaché relative to ATAR Handling Equipment. It will be noted that the R.A.A.F. wish to take the responsibility for the procurement of all items of Handling Equipment required by C.A.C. providing that this equipment is also required by the RAAF in service.

The total number of items to be ordered on this basis is not yet clear as we have no knowledge in this office of the items to be purchased by the R.A.A.F.

Yours Faithfully,

Billward

Dear Sir,

SUBJECT : Atar Engine Handling Equipment

A number of items of handling equipment which are used during engine build & test are also required for engine maintenance purposes, either in the field or in the workshop. Following discussions with W/C Walters it is understood that the RAAF wish to take the responsibility for the procurement of all items in this category which are required by CAC. It is further understood that the RAAF propose to issue these items ON LOAN to CAC.

The attached list is the first submitted on this basis and may be added to as further progress is made with the assessment of our requirements.

Yours faithfully,

C. BELLWARD.
