No. 154.

19th December, 1961.

Mr. S. H. Foster,  
Chef de la Mission Australienne,  
S.N.E.C.M.A.,  
70 Boulevard Kellerman,  
Paris 13,  
FRANCE.

Dear Sir,

Subject: Ater SC Team at S.N.E.C.M.A.

For your information, it is now proposed that Mr. B. Coleman, on Fuel Systems, should be brought forward to leave for Paris mid-March 1962, returning mid-September and that Mr. Sherlock should leave at the end of June, returning end of December 1962.

This should ensure adequate overlap of Mr. Coleman with Mr. Taggart and Mr. Finch, and also of Mr. Sherlock with Mr. Coleman, Mr. Brooks and Mr. Harvey.

We will advise you as soon as approval is received, for these proposals.

Yours faithfully,

H. H. KNIGHT,  
Manager.
