As we rolled off the tram  
Grandpa said  
"We should race".

Shortly after shopping:

Going home,  
there was plenty  
of room for us and  
all the shopping.

And I  
won the  
race!

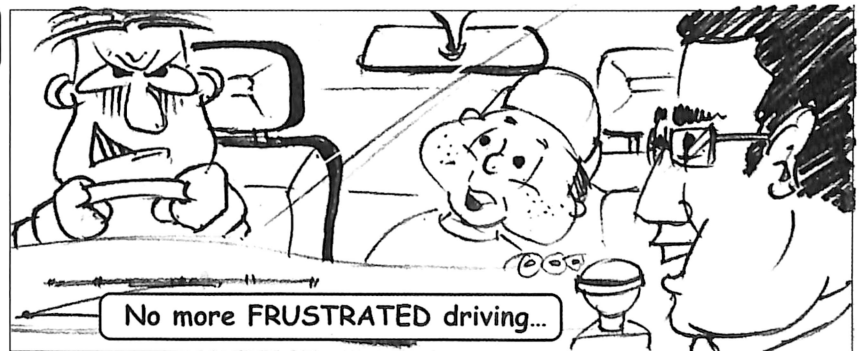

"Thumbs up for  
access for all!"

Today, Johnny and his father rode Tram 109  
to the cricket instead of taking the car...

No more CHOKING EXHAUST fumes...

AND they got to the match before the first over!

At 9am teams are to assemble at the tram stop.

We'll take a communal ride on Tram 109 to Balwyn.

We will, of course, pick up some of fellow bowlers along the way.

Tram 109 certainly makes us a winning team.

Remember when it was only concrete and rail, not a blade of grass to be seen.

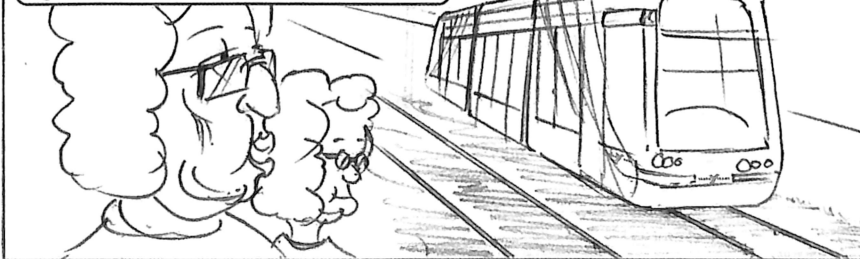

Now the tracks are beautiful with lovely grass designs.

In my day, grass on the tracks meant it wasn't used.

Now they use architects and gardeners to build tram lines.

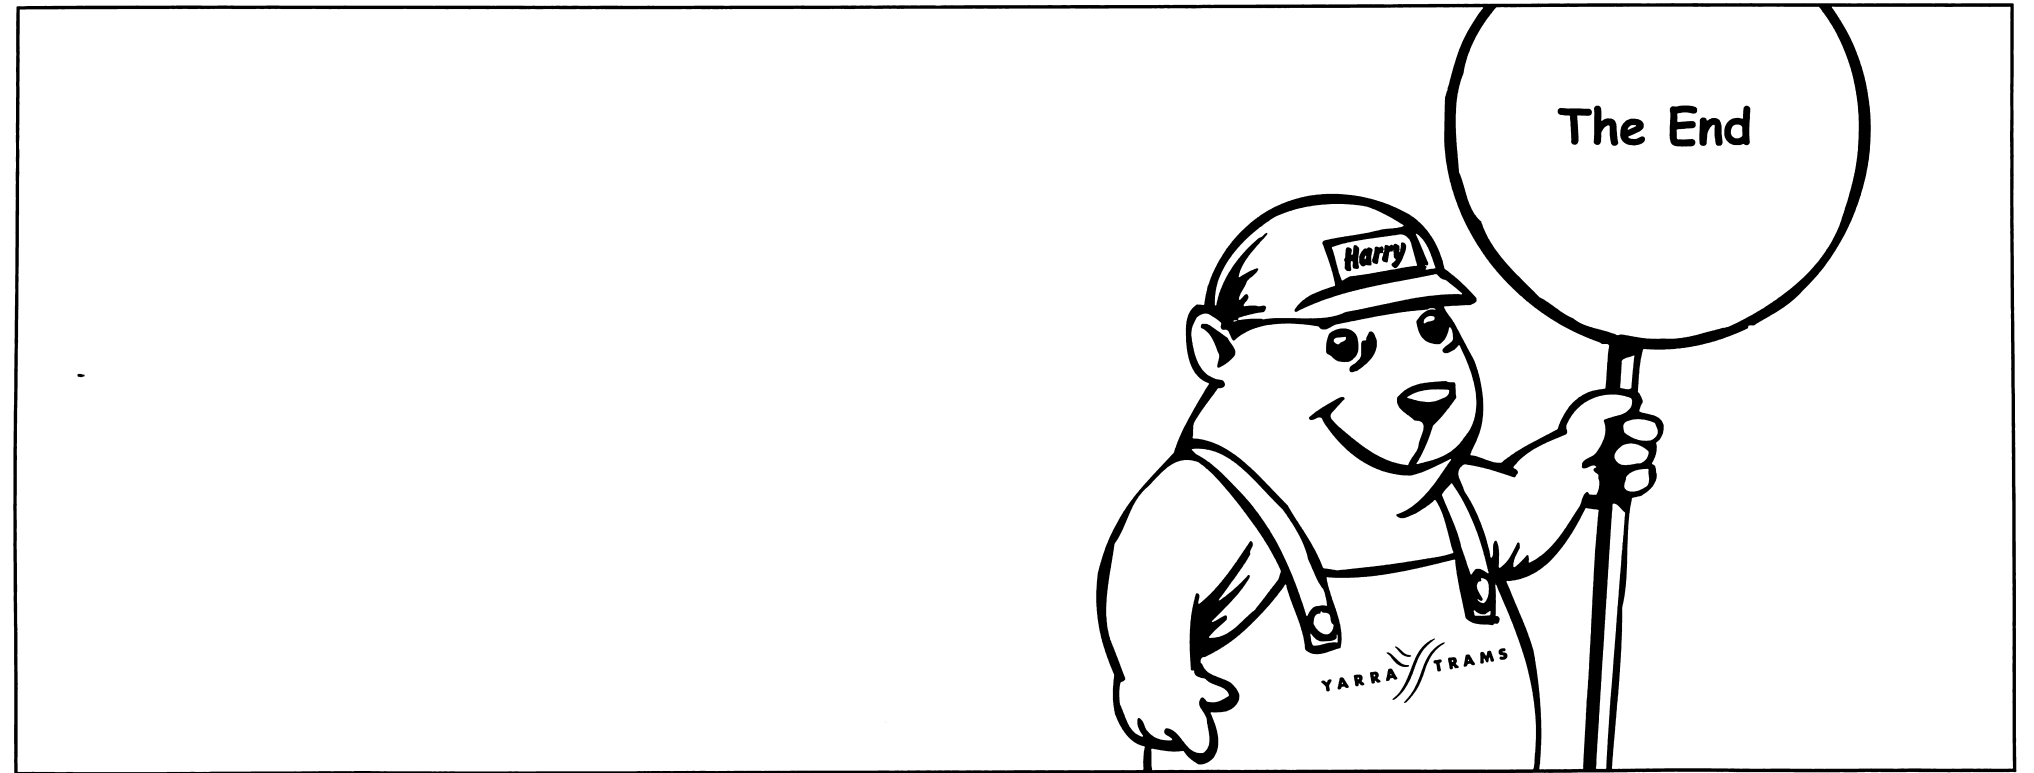

"Thumbs up for a greener environment"
