

MARYBOROUGH TOUR

Melbourne Showday - Thursday, 26th September, 1974.

The Society will again operate a tour on Melbourne Show Day this time to the prosperous centre of Maryborough. We will travel by both 'Mixed' train and Rail Car between Ballarat and Maryborough.

Maryborough owes its existence to gold mining, as does Ballarat, and is still a large flourishing centre.

The railway between Ballarat and Maryborough is everchanging in scenery and has some short steep grades which, combined with the pleasure of travelling on a 'Mixed' train should make the tour an interesting and enjoyable one. We hope that you are able to join us on the outing which is detailed as under:-

A carriage will be attached to the 12.45pm Ballarat to Maryborough goods and on arrival at Maryborough we will return on the regular 4.15pm Rail Car. Connections will be made at Ballarat with 8.30am train from Melbourne and the evening train to Melbourne.

For any further enquiries please contact Richard Gilbert on 20 6213 during weeknights. **BOOKING FORM**
