

BALLARAT TRAMWAY PRESERVATION SOCIETY LIMITED

P.O. Box 632,
BALLARAT VIC 3350.

Dear Member,

For some time now, "Trolley Wire" has been the official magazine for all Australian Tramway Museums, including our own Society.

All news of this and other Societies is published bi-monthly by the South Pacific Electric Railway Co-operative Limited from news items sent by all the associated Museums.

"Trolley Wire" is a high standard publication which is recommended to all members interested in Australian Tramways, and subscriptions to the magazine should be returned with your membership renewal using the attached form.

At a cost of only \$5.00 per annum, delivered to your door, this represents good value and a considerable saving on the price if the magazine was purchased over the counter.

Should you currently subscribe to "Trolley Wire" and your subscription falls due between 30-6-1975 and 30-6-1976, renewal to the 30-6-1976 can be achieved by returning \$1.00 for each copy required from the expiry date of your subscription up to the June 1976 issue.
