

Spring Display

Organised by the Sunshine Horticultural Society, a spring display of flowers and vegetables will be held in the Shire Hall supper room on Thursday next. Schedules are obtainable from the secretary, Cr. J. R. Parsons, Graham-street south, Sunshine, and entries will be received up till 7.30 p.m. on night of display. Mr Frank Dowse will be the judge. Previous displays have been of outstanding merit, and were regarded as better than anything attempted in the metropolitan area. The public is invited to attend, and supper will be available.

Cr. Watson expressed indignation on Monday week at the action of "young bloods" playing two-up in Sassella Park, Deer Park, and the Council decided to seek the aid of the police.
