

## No Claim Expected for This Money

There is 8/- available for the rightful owners at the Sunshine Police Station but it is unlikely that a claim will be filed as the money was recovered from the "kitty" in a game of two-up opposite the Braybrook Hotel from which the players left hurriedly at 6.45 p.m. on 29th December when police were noticed approaching the school.

In the wild stampede to escape from the representatives of the law one man took a header into a box thorn hedge, but extricated himself in time to evade the clutching hands of Senior Constable Harrington and Constable Johns.

The money will await a claimant for three months and if the owner does not put in an appearance it will go into consolidated revenue.
