Sunshine Netball Football Club

Presidents Report 2024

Season 2024 could not be described in any other way, than successful.

Looking to build off the strong platform put in place, both on and off the field in 2023, the Club set some ambitious goals of achieving the ultimate success at senior level.

While there were challenges along the way, Grand Final day was one of the greatest in the club's history, having won the U/18's, Reserves and Senior premierships.

Further to this success, our thirds were close to joining the list of premiers for the year, narrowly going down in their Grand Final.

Junior participation was again strong, as the Club looks to continue to build on this base to ensure future success on the field will be achievable.

On the netball courts, we saw significant growth in our participation numbers, off the back of our success in 2023, having 6 teams participating in the competition.

While 2024 was great, the challenges lay ahead of us as we have been promoted back into Division 1 football.

Our aim is to continue to build and grow our programme so that we now stay a Division 1 club and aim to achieve the ultimate success at the highest level in the near future.

We also look to build a junior pathway for our netball programme, to guarantee the future success for our Club.

Congratulations to all involved for the successes of 2024 as we now turn our attention to season 2025 and beyond!

Junior Administrator Report 2024

Under 8's

Coach: Sean Acreman & Justin Hoffman

Team Manager: Terry Sinclair & Cinnamon Meeling

In 2024, we managed two Under 8 teams, each comprising eight players. However, the limited number of participants presented challenges during game days as other clubs often fielded teams with higher player counts. This discrepancy necessitated the borrowing of players from opposing teams to ensure a full side. Unfortunately, not all clubs were willing to accommodate this request, impacting our ability to compete effectively.

For the 2025 season, we have decided to consolidate our efforts by fielding a single Under 8's team to better align with player availability and to ensure a more consistent and competitive experience for our young players.

Under 10's

Coach: Adam Bright

Team Manager: Megan Murphy

In his second year as coach, Adam has established a strong rapport with the top-age players, allowing him to seamlessly transition into the season and effectively lead the team from the outset. The favourable game schedule, featuring matches against local teams, further contributed to a positive and engaging experience for both players and families.

Adam's efforts were complemented by the dedicated support of Team Manager Megan who from the start of the season implemented a roster for parents to assist in game day roles.

Under 12's (Division 3)

Coach: Brendan Acreman

Assistant Coach: Greg Ash

Team Manager: Andrea Radcliffe

The Under 12's faced a challenging season, reflected in a tough draw and a final placement at the bottom of the ladder. Despite the difficulties, the coaching duo of Brendan and Greg demonstrated an effective partnership, balancing a serious approach to skill development with an emphasis on creating a fun and positive environment for the players.

Their combined efforts contributed to noticeable improvements with the teams overall skills and gameplay, fostering growth and maintaining team morale even in the face of adversity.

In her first year as Team Manager, Andrea stepped into the role with no knowledge of football. Despite this initial challenge, she embraced the position with enthusiasm and quickly adapted, demonstrating a strong willingness to learn and excelled within the role.

Under 14's (Division 2)

Coach: Chris Borg

Assistant Coach: Derek Montebello

Team Manager: Xavier Hayes

Chris, a new coach to the club was complimented by Derek as the Assistant Coach who already had an established rapport with the team. Together, they navigated a challenging season in Division 2, where the team was likely better suited for Division 3, as reflected in their record of only two wins against 10 losses. Despite tough competition, the coaches fostered a positive environment.

There is a large and supportive group of parents in the Under 14's who all played a vital role throughout the season, consistently stepping up as volunteers and helpers on game days as well as during events.

Under 16's (Division 2)

Coach:	James (Jimmy) Nardella
Assistant Coach:	Sebastian Reilly
Team Manager:	Dan Carter

Jim has demonstrated exceptional warmth and commitment to personal growth, using football as a platform to mentor and guide young players, helping shape them into well-rounded individuals both on and off the field. His supportive approach has been instrumental in fostering a positive team culture where players feel encouraged and valued. Under his leadership, the Under 16's made the first final however fell short of victory.

Notably, Lucas Ash distinguished himself throughout the season, earning the runner up position in the League Best & Fairest, a testament to his outstanding performance and consistent effort.

Canteen

With Brooke no longer available to manage the canteen, Brent Fox stepped into the role working Friday nights and during game days on Sunday's. Brent and Kate established a strong partnership, efficiently managing the canteen operations and ensuring the needs of the club community were met. Brent also stepped up during some event and worked the bar.

Brent and Kate have both committed to 2025 and given Brent's capability and demonstrated leadership, it is recommended that he be considered for further responsibilities.

The parent roster system for canteen support also continued this season and was highly effective, with strong participation from families.

Events

Similar to 2023, the most successful events of the year were the Junior Disco and Volunteer Appreciation Day. The Junior Disco continued to be a highlight for our younger members, offering an engaging and fun-filled evening. The event was well-attended, with positive feedback from both children and parents, making it a memorable occasion for all involved.

Volunteer Appreciation Day was equally successful, providing a well-deserved opportunity to recognize and celebrate the invaluable contributions of our volunteers. Their dedication is the backbone of our club's success, and this event served as a heartfelt thank you for their ongoing support and commitment.

Bar

With Craig unavailable, Joel took over the management of the bar on Friday nights. One notable enhancement was the introduction of an extended wine list, which proved to be a successful addition. The expanded selection was well-received by patrons, resulting in a noticeable increase in families choosing to stay longer after games to enjoy a drink and a meal together.

This improvement not only boosted bar sales but also enhanced the social atmosphere, encouraging greater community engagement and making Friday nights a popular gathering time for members and their families.

Treasurers Report 2024

Financial Overview: I am pleased to present the treasurer's report for season 2024 for the Sunshine Football Netball Club.

What a season, I am extremely proud of what our club has achieved in Season 2024. The continued press for all of us to be better, do better for our club as a collective has really paid off, and this is something we can all be proud of.

With increased success in our Football Program, and the introduction of the full netball program, plus strong junior numbers saw a continued improvement from the 2023 report. However, increasing our netball program from one netball team to 6 teams, the first year was always going to test our budget, as we had to factor in unknown costs, such as court hire, training equipment, general team set up and coaching expenses. For 2025 we will be more prepared and have a better understanding of the actual cost of our netball program.

With greater number of teams, we have to expect that our expenses will be higher, from medical supplies to WFNL affiliations and umpires' fees., this will be continued to be monitored and budgeted for in 2025. So where additional expenses are not a surprise, we must continue to remain vigilant in our budget processes. Rental costs for the pavilion ground also went up due to additional team usage, and general council increases.

We continue to see gains as a collective in our revenue streams, however we can never rest on our laurels, and we must continue to plan for each new season, on ways of increasing revenue to booster our financial position. Sponsorship is one of the biggest revenue streams of our club, and we need to continue to attract new people and business to our great club.

Financial Goals and Future Plans: As per last financial year our financial position remains stable, and we continue to manage our resources. Looking ahead, we must plan to see continued improvement in the following areas:

1. Increase Sponsorship:

- Actively seek additional sponsors to support the club financially.
- Continue to build relationships with our current sponsors.

2. Member Engagement:

- Continue our communication with our members, look at ways to drive the social membership up for our members.

On behalf of the Executive and committee members, I would like to take this opportunity to say Thank you, to everyone who has volunteered to help our club be the great club it is. What an amazing conclusion to 2024, and one I am sure many will remember as one of our proudest moments.

In closing as a club, we appreciate the ongoing support of our members, sponsors, and the community. As we have seen in 2024, the success of Sunshine Football Netball Club is a whole club effort, and I look forward to working with you all in season 2025, to see what we can achieve next..

Sincerely,

Jan Thom

Netball Report 2024

The 2024 netball season has been an exciting and transformative year for our club. Under the leadership of Head Coach Mon and Assistant Coach Rhi, we have experienced significant growth and achieved remarkable success on and off the court.

Coaching Leadership

Mon, our dedicated Head Coach for the season, brought his wealth of knowledge, passion, and leadership to the team. His coaching expertise ensured that all teams were well-prepared and motivated throughout the season. Rhi, as Assistant Coach, worked tirelessly to support Mon's vision and helped foster a positive and focused training environment. Together, they formed a dynamic coaching duo that contributed significantly to our achievements.

Club Growth

One of the most notable accomplishments this season was the expansion of our club. What began as a single team has now grown to a thriving community of six teams, totalling 60 players. This growth reflects the increasing popularity of netball within the club and the dedication of our coaching staff to developing talent at all levels.

On-Court Success

The growth of our club has been mirrored in our on-court performances. Four of our six teams made it to the finals, which is a tremendous achievement and speaks to the hard work and commitment from our players and coaches alike.

Notable individual performances included:

- **Division 1:** We celebrated the achievement of Malia who was named the league Best & Fairest in Division 1. This recognition is a testament to both her skill and sportsmanship throughout the season.
- **Division 6:** The league highest goal scorer in Division 6 Caroline, demonstrated incredible shooting accuracy and consistency, helping her team to secure critical wins and play off for finals.
- **Team of the Year Players:** Multiple players from various teams earned the well-deserved recognition of being named in the Team of the year. This is a great reflection of their exceptional individual performances throughout the season.

Pre-Season and Season Training

We kicked off the season with a series of pre-season training sessions held at Eagle Stadium. These sessions were instrumental in building team cohesion, fitness, and skill development. The atmosphere was high-energy, and players were eager to kickstart the season on a strong note.

For the season, training was held at Footscray Park College. Regular training sessions allowed us to focus on tactical development, fitness, and technical skills, which ultimately contributed to our strong performances throughout the year.

New Uniforms and Dresses

This season also saw the introduction of brand new uniforms and dresses, which were well-received by all players. The fresh designs not only represented our club's identity but also helped build team spirit and pride in our performances.

Looking Ahead

The 2024 season has set a high bar for future years. With the club's expansion, on-court success, and the continued growth of individual talent, we are excited for what lies ahead. We are confident that with the ongoing support of our coaching staff, players, and families, we will continue to build on this year's success and further elevate our club to new heights.

We would like to extend a huge thank you to all players, coaches, and volunteers for their dedication, passion, and hard work throughout the season. Together, we've made 2024 an unforgettable year for our netball community.

Here's to even more success in 2025!

	Xavier Kardachi Congratulations to Xavier Kardachi on a massive year, in which he won the Western Jets Best and Fairest. Along side that, Xavier also has a premiership medal with our senior side. And to round off the honours this season, Xavier was a top ten finisher in the Morrish Medal. The Sunshine Football Netball Club are very proud of all Xaviers achievements and how he goes about his business. He is a wonderful young man who works hard and shows great dedication. So far it is paying off, and we wish him all success in whatever the next stage of his football life entails.
