FINAL ASSESSMENT 19 74 FORM 6B

SUBJECT	ASSESSMENT	COMMENT	TEACHER
ENGLISH EXPRESSION	44	The October result does not reflect Linda's ability: two questions let her down badly. There should be no doubt that she will pass at the end of the year if she will read the paper and do as the examiners will demand.	[Signature]
BIOLOGY	47	Linda will now have to put in her final burst of hard work. She has been conscientious, & I am sure she will succeed.	D Paul
GEOGRAPHY	P.	Linda should do well at the end of the year.	[Signature]
ART	55	Linda must do well - She has so much ability, understanding and knows what she is in for herself. It is worth while working hard to express her interest in art.	D Denham
ECONOMICS	57	Linda's work has improved quite markedly during the half year. She has achieved a very good result and should succeed in November if she continues to work hard.	[Signature]
