Dear Finn,

Just a quick note of thanks for your participation in The Big Drum on Friday 29th May at Parliament Gardens.

I hope that, despite technical hiccups which meant the programming of the Rockstage was changed, your band was able to play a long enough set to make your participation worthwhile. The little I heard as I rushed between the gardens and Parliament House was really great and helped build an atmosphere of excitement leading up to the Drum.

I wish you and the band well in the future.

Yours sincerely,
