

# What's On Today

Sunday, 5 April 1992

## Outdoors

The Road Steamers Association of Victoria presents a Cowley Steam Roller and a Super Sentinel Steam Wagon. Engines and vehicles from the Museum's own collection will also be displayed.

10.00 am - 4.30 pm  
Garage and Forecourt

"Up, Up and Away" - Learn how to make your own frisbees, helicopters and parachutes - and train an obedient balloon!

11.00 - 11.30 am  
Salzer Amphitheatre

Scott Rowe performs comic and stunt acts - on roller skates!

1.00 & 3.00 pm  
Salzer Amphitheatre

The Scienceworks Calliope will be performed occasionally during the day.

South Courtyard  
(near Ramp)

## Pumping Station

Explore the historic Pumping Station and see the huge engines in action.

10.00 am - 4.30 pm

Guided tours leave from the new building. Ask at the Information Desk.

12.00, 1.30 & 2.30 pm
