WILLIAMSTOWN 3016.

Dear Mr. Corrin,

Further to our recent telephone conversation, I have pleasure in confirming my invitation to your school to participate in the Schools and Community Bands Festival at this year's Royal Melbourne Show.

As agreed with you, I have allocated your school the 12.30p.m. to 2.00p.m. time slot on Friday 18th September, 1987.

The Society will cover the cost of return coach transportation to the Showgrounds and request that you obtain a quote and forward it to me in due course. The account will be paid at the conclusion of the Show.

The participating musicians and teachers will be admitted free of charge and the coach will enter the Showgrounds via the Public Entrance in Epsom Road, near the K.C.C. (Dog) Pavilion. Coming from the City, this is the first entrance to the Showgrounds after passing Flemington Racecourse. The coach driver will be shown where to park by the gatekeeper.

I look forward to receiving your written acceptance to participate in the Bands Festival this year and trust that your students will find it a rewarding exercise.

Yours sincerely,

Helen Rowe  
Events Co-ordinator
