TERMINAL
REPORTS
ON

Archibald Fowler

FORM

7

191*8*

NOTE—Reports are sent out at the end of each term, and should be returned, duly signed by the parents or guardians, as soon as possible.

No comment is made upon conduct unless it has been such as to call for special remark.

KEY TO LETTERING—

- A signifies First Class
- B .. Of more than average quality, but not first class
- C .. Of average quality
- D .. Below average, but not bad
- E .. Bad work.

The sign + after a letter indicates that the pupil's work is well up in the particular class.

The sign — indicates that the work is just good enough to secure admission into the class.

If no sign is added, the work may be taken as of average quality in that class.

At the end of the year, a certificate is awarded on the whole year's work.

An honours certificate is awarded to every pupil who obtains at least 80% in the general work for the course, and a pass to every pupil who obtains from 50% to 79%.

H, honours; P, pass; N, not awarded.
