**SCHOOL SONG**

We are the school, we make the rule,  
This is the song that we pass along,  
The word and the rhyme, the tune and the time,  
That the School will sing forever.

**Chorus:**

Work to win, despair is sin,  
The best may fall to rise again,  
The team will win that tries again,  
Work conquers all.

.....

This is the gate to the way long and straight,  
That leads to the road, where we carry our load,  
With gladness or care, with courage to dare,  
While we travel we'll sing forever.

**Chorus:**

.....

Work is our aim, till our fortune we frame,  
Till we vanquish our foes, and forget all our woes,  
Till we win every game, and we earn the fair name,  
That the School will sing forever.

**Chorus:**

**WE SHALL BE STRONG**

Dandenong High School, gateway to the future,  
Proudly borne in battle, your colours flew;  
The standard that led a regiment to conquer,  
You give into our keeping to win renown anew.

**Chorus:**

"Faber Quisque Fortunae",  
Our faith and courage leading us along,  
We give our pledge of loyalty,  
"We shall be strong".

.....

Architects of fortune, labouring together,  
Gaining inspiration from work and play;  
The royal blue we bear has taught us truth and loyalty,  
The trust of our companions we would not dare betray.

.....

Heroines and heroes, wearing red for courage  
Forged a great tradition in days gone by.  
We build for the future, proud of our achievement,  
We meet the greatest challenge, our courage ever high.

**Chorus:**

.....

Dandenong High School, though the years divide us,  
Worthy sons and daughters we shall remain;  
And when through the gate we enter on our journey,  
Our courage, faith and loyalty will build a greater name.

**Chorus:**
