

DEDICATED TO

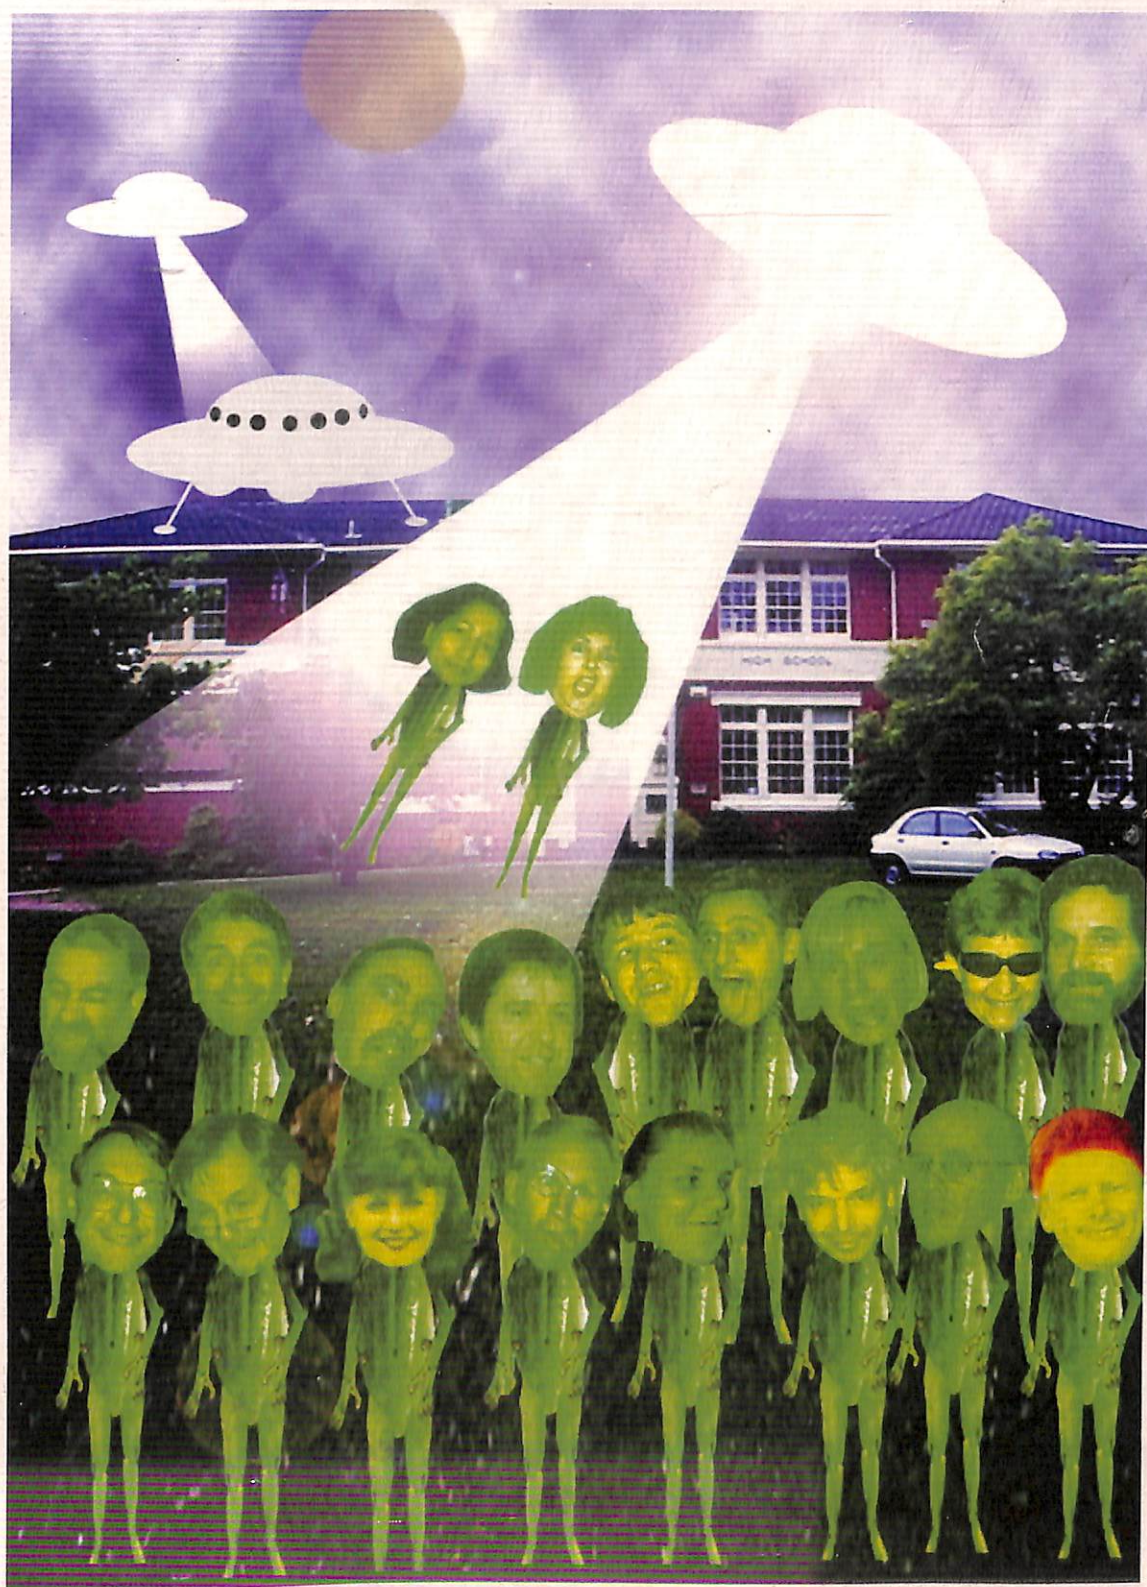

DANDENONG

THE CLASS OF 98

HIGH SCHOOL

"THE 98' GATE"

ARTISTIC DESIGN BY DOMINIQUE MIGALE

W elcome to the Gate 1998.

This year a group of students have worked very hard on producing what we think is a very different Gate magazine. The use of digital photo imagery and layout will mean that you will see many changes to what you have seen before.

The Gate committee would like to thank the Media Studies department for the use of their equipment and all the students who contributed photos and writings for the magazine.

Next year will be the 80th anniversary of the school and with it comes a greater emphasis on technology which has been supported throughout the production process of the magazine.

We hope you enjoy.

Mrs. Ellins
Gate Coordinator

Left front: Sangetha Selvarajah, Cindy Nemorin, Yvonne Ellins, Brooke Thompson, Jessie Greenway.

Left Middle: Louise Cheung, Ben Hoskins, Duncan Norindr, Jiaming Pi, Liz Komejetan.

Left Back: Magda Moryc, Andreea Cota, Lee Mezensteff, Adriana Buzgau, Shannon Davey, Dejan Stajanovic, Adrian Nicolescu, Mark Carter, Brad Fogden, Rebecca van Houten.

Absent: Steven Wright.

A special thanks to Ms. Dowman's Typing Classes, Lee, Steven and Duncan for their expert computer skills and the year 12 Media class for always lending a hand.

Front Cover: Dominique Migale (Digital Imaging)

Back Cover: Dominique Migale (Digital Imaging)

On August 27th 1998 the Edna Dawson Vukmirovic Centre was opened by our School Council President, Mrs Christine Ware and Mrs Stana Sargood, an ex-student, and the daughter of a past student, teacher and school councillor after whom the Centre is named.

In previous "The Gate" magazines I have written of our great anticipation of this event. The new building is something of which we can all be proud, and is a facility that our school has been in need of for a long time. We are very pleased that the opening was so well supported by the attendance of more than eighty guests, that it was conducted by members of our Dandenong High School community, and that the program was so well received by the approximately 1160 students, some of whom sat on the floor of the gymnasium for up to one and a half hours.

We are also proud to have our Centre named after the late Mrs Edna Vukmirovic, who was also known at our school as Edna Dawson. Mrs Vukmirovic was a greatly respected and loved student and teacher of our school, and also served on the School Council. She was known for her encouragement of all students and was a truly gifted teacher. Her commitment to young people extended beyond our school and into the Dandenong Community, where she was especially known for her work in the Dandenong Festival of Music and Art for Youth. Many of Australia's leading singers and musicians have fond memories of Mrs Vukmirovic's work for this organisation.

When I first came to this school, I heard the then Principal, Mr Rayment, speak of the school as being a school noted for its scholarship and citizenship. I recall thinking at the time that these two words encapsulate the essence of our school - we hope we produce able students and good citizens. From time to time we should reflect upon our progress in developing as students and as citizens. It is relatively easy to check on our marks and reports to monitor progress in learning, but what about our development as citizens? How much do we do for the good of others in our school and our community?

In this reflection, we could think of others who could be role models for us. This is how I think of Mrs Vukmirovic, and I am extremely pleased that our new Centre is named after her, for she personifies the aims and goals we have for our students.

As we use this new facility, let us not forget after whom it was named, and let that memory inspire us to learn from Mrs Vukmirovic, and to grow and develop according to the example that she has set.

School Council

Undoubtedly, 1998 will be remembered as the year that the Edna Vukmirovic / Dawson Centre was officially opened. What a wonderful occasion it was! Many favorable comments were received about the student performances and the facility. It was quite a spectacular sight to see the total school gathered in the gymnasium for this special event. This gymnasium, drama and music centre is the culmination of many years planning and commitment by the current and former school councils. It was built in six months, at a cost of just under \$1 million. The project was managed by Peter McGinley and Partners for the School Council who provided the funds.

The School Council is now planning and working towards the refurbishment of the Hall, to become a 500 seat theater and keyboard laboratory.

A Staff Recognition Function was again held. Presentations were made to Staff Members with lengthy Service to our school and all staff were thanked for their contribution to the education of our students.

Many people make Dandenong High School the great school it is. I thank the School Councillors for the contribution they have made. They are:

Parent reps:	Rex Carter, Jenny Pavlov, Jacques Berthelot, Margaret Collinson, Faye Rendall, Allan Collier, Irene Polland.
Teacher reps:	Del Wright, Pain Dyson, Owen Wells, Ken Sampson,
Coopted rep:	Alan Witham
Secretary:	Bruce van den Berg, Robyn Stevenson, Peter Ward.

Together with my fellow school councillors, I wish all the departing students well, and look forward to Dandenong High School continuing its fine, tradition of scholarship and citizenship for our students.

Ex-Students' Association

Since 1919 there have been four or five groups such as ours. The present one sprang from the 70th Anniversary Committee.

Our activities are varied and numerous. We have organised reunions each year also setting up a number of scholarships for students. We attended special assemblies at the school, have helped re-introduce House Captain and School Captain badges and produced a CD of the Schools songs. We also have a history unit that manages the archival material in a custodial role for the school community. We are presently working on the organisation for the next years 80th Anniversary.

For our association to prosper and grow we need new members. All students leaving the school are invited to join us in our important work. When you exit the DHS Gates for the last time consider the schools impact on your life and feel welcome to assist us in ensuring that the school continues to have a similar impact on others.

Mrs Greta Jungworth.
President.
Ex-Students association.

Mr Ed. Eadon- Chaplain

Hello, this is your chaplain speaking. Sounds like an Ansett flight just about to take off on a journey! My journey at Dandenong High School has now entered its 3rd year, and it seems the time has flown past like a plane on a jet boost to Queensland and back. However, I've had time to recognize that change only occurs when it is noticed.

I've noticed that:-

- *Some of the students have moved on to careers of employment.
- *A new sports gymnasium that has been utilized by the whole school community
- *Some students have faced their problems and found a way through
- *Some of the students have reached their goals

As we soar in 1999, I hope everybody, whether you are a teacher or a student, take time to notice where you are in life, take hold of the opportunities that pass you by, and I pray that you find what you are looking for.

Regards Mr Ed (Chaplain)

School Captains: Louise Cheung & Ben Hoskins

Dandenong High has now been our home, our life and our sanctuary for the past six years and although we may not realise it now, the knowledge we have gained in this seemingly short time is the key to our future. The memories and the friendships that we take with us have been created and refined within the gates of Dandenong High and will remain as a permanent imprint on our minds forever. It has been an honour for both of us to be school captains and represent the entire school body to our full potential. We are sure that as the years pass, the traditions of DHS will continue and the school will be the future of many students to come. Now that it is time for us to leave, we hope that all the year 12 students are able to look back on their time at DHS with fond memories and may we wish them all the best of luck as they disperse in search of new and exciting prospects while also thanking the staff for all their caring and teachings.

Ben Hoskins & Louise Cheung

Debating

Mrs. Saris

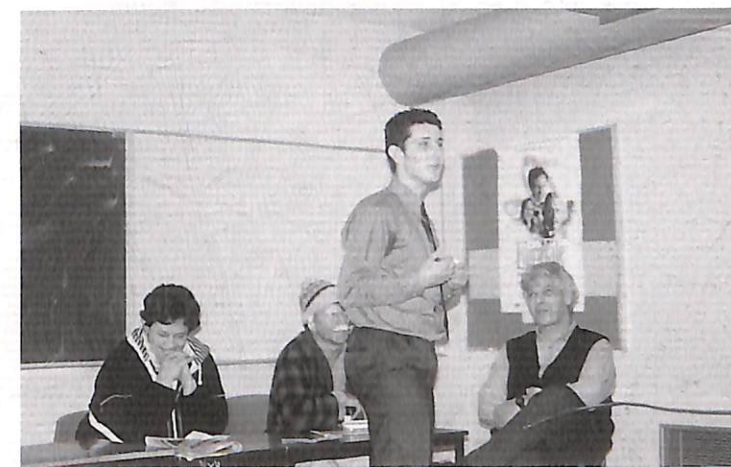

Debating is an art form. It is a form of public speaking which requires considerable confidence and intelligence on the speaker's behalf in order to persuade an audience. Many students proved over the year to possess these talents, whether it be within the classroom, during lunchtime debating or at an inter-school level.

This year, Dandenong High School students tested their debating skills beyond the school walls and entered the Debating Association of Victoria's 1998 Competition. Our students joined in with over 8,000 other students from 195 different schools statewide and made a respectable debut. Several students proudly represented the school and sacrificed a lot of their own time preparing for these debates and attending the evening competitions.

Not all the debates however were taken as seriously as these. The staff vs student debates provided some wonderful entertainment for those who attended and gave students the opportunity to see that debating can have its lighter side. Who could ever forget Mrs. Rowlands in her 60's gear, complete with platform shoes, flairs and beads, convincing us that the music of the 60's was much more meaningful than the music of the 90's? And what about Mr Mair, with his slippers, walking stick and ear horn, trying to persuade us that life was a downhill run once you hit 30?

Debating will continue to be an ongoing tradition at Dandenong High School and students at all levels are encouraged to participate in this very worthwhile school activity

Ms. Nina Saris

Social Service

What a splendid effort from the students and staff this year. We have raised over \$5,000 dollars from weekly social service collections. In addition we raised \$1,000 for both Red Nose Day and Jeans for Genes casual dress days. Donations have been made to 35 charities throughout the local community and overseas.

At the final Year 12 assembly the Junior Service Shield was awarded to 8B and their form teacher Miss Wallis who raised \$244.65. The Senior Shield was awarded to 12F and their form teacher Miss Elliot who raised \$371.00. Sophal Chen and Valerie Louis of 10B participated in the World Vision 40 hour famine, we continued our sponsorship of the Diamond Python at Melbourne Zoo and our Foster child Rex Bodod in Baguio through Plan International.

My thanks are extended to all who contributed this year and I look forward to your continued support in 1999.

Ms. C Elliot
Social Service Co ordinator

The building of our new Gym

The whole student population of over 1100 students attended the official opening of the "Edna Dawson - Vukmirovic Centre" at Dandenong High School on Thursday 27th August. It is the first new building in 20 years for the school, which is celebrating its 80th year of operation next year.

Provided totally from local and community funds it is the first stage of a larger project which would also see the conversion of the existing hall into a performance area with tiered seating and orchestra pit, and a keyboard laboratory.

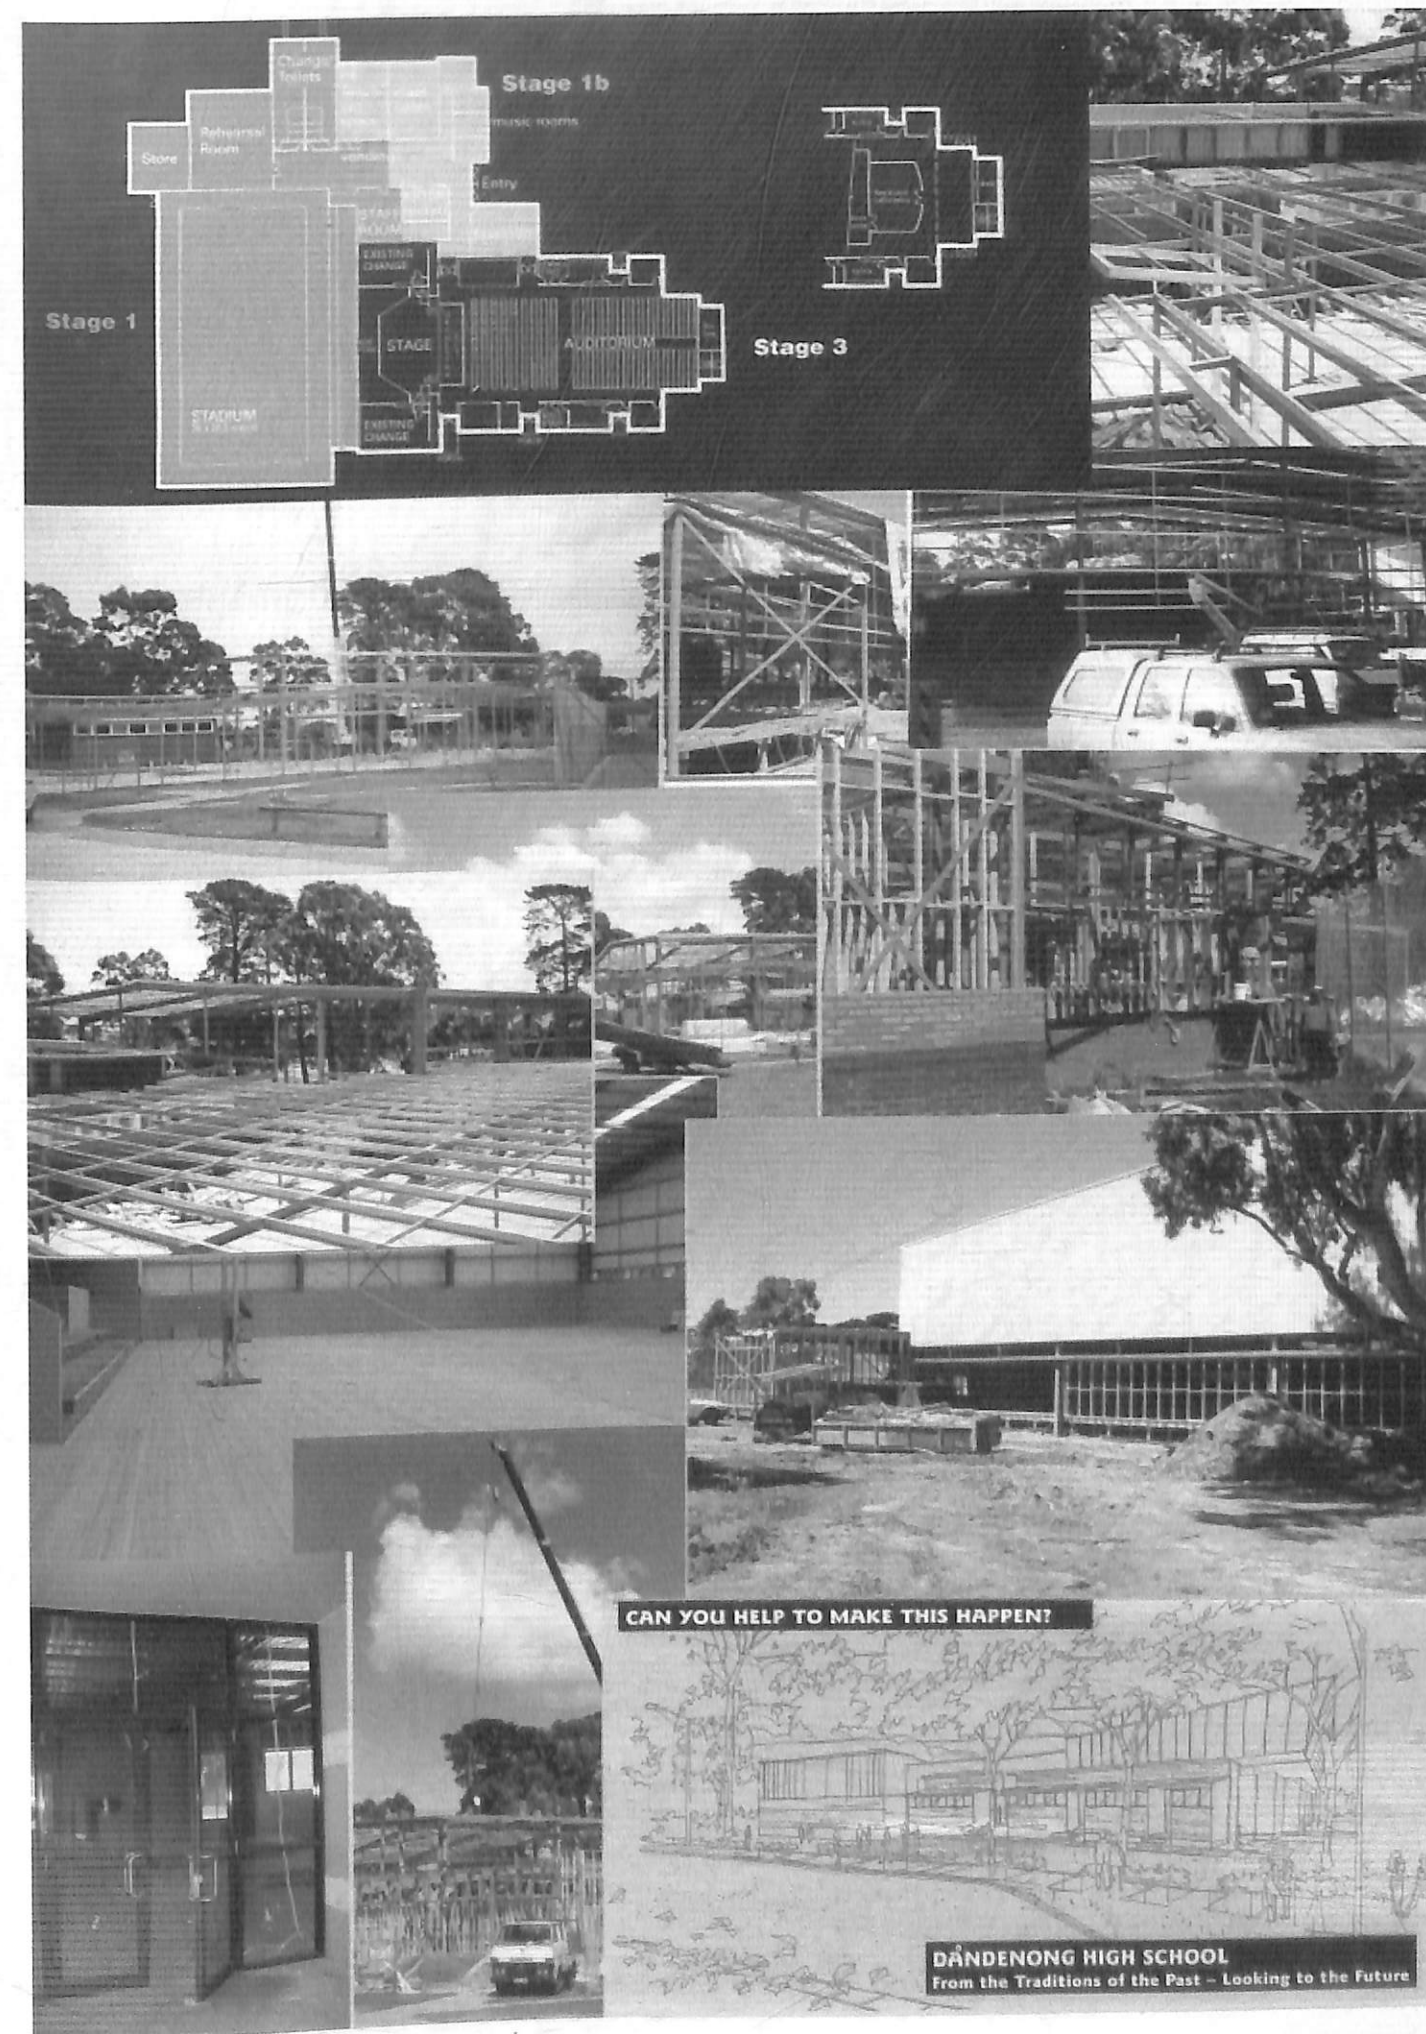

At the opening were approximately 80 guests including members of Edna's family: her daughter Stana Sargood, her sisters Phyllis and Marion (Also an ex teacher of D.H.S.) her brother Noel and nephew Tony.

Other guests included representatives from the D.O.E., Local Members of Parliament, Local Councilors representatives of local primary schools, members and ex members of the school council, representatives of the past students association, the local business community and local service clubs. Also present were representatives of project managers, McGinley and Partners and architects Prior and Cheney.

School council president Mrs. Christine Ware and Edna's daughter, Stana together unveiled the plaque to officially open the centre.

Guests were entertained by a rendition of the most recently composed of the school songs "Take us through the gate" composed by Ms. K. Vrisk and performed by the school choir, and a gymnastics display put on by D.H.S. students Heidi Norindr, Alex Norindr and ex student Stephen Kimm.

The year 9 drama class also presented an amusing and entertaining look at various aspects of the development of the complex and its future uses.

YEAR 7

COORDINATORS' REPORT

The Year 7's commenced the year with enthusiasm, curiosity, and an abundance of energy. Students settled in very quickly to their new secondary school and coped very well with managing their own personal locker and trying to remember their combination lock. As student begin the year they are confronted with overwhelmingly new challenges such as timetables, a variety of teachers, moving classes of each period, and of course meeting and establishing new friendships.

At the beginning of the year we had three year 7 transition camps of 3 days duration to Phillip Island/Mirboo North which were enjoyed by all students, staff and year peer support leaders. We are very appreciative of those leaders who volunteered their valuable time to assist the teachers who at times needed a well earned rest.

These camps were a great success as we not only explored the local flora and fauna, including penguins, koalas, kangaroos, hidden giant earth worms and butterfly valley, but we were amazed, delighted and dazzled by the hidden talents that surfaced during out entertaining evenings especially 'red faces'.

Throughout the year the year 7's have participated in the Peer Support Program, many interschool sporting activities, drama productions, international performances, chorals, junior school social and a one day excursion to Springers Leisure Centre as part of PE week. We are very pleased that many students have availed themselves to become involved in the many extra-curricular activities that has been offered throughout this year.

Although the year has flown by, we look back with amazement at how our year 7's have developed from the quiet, shy and often nervous students that first entered the gates of DHS who we now feel have developed a strong sense of belonging to their new secondary school.

We have taken great pleasure in coordinating this group of year 7's and we wish them every success in their forthcoming year as year 8's.

Mrs Pam Dyson & Mrs Sally-Ann Dowman
Year 7 Coordinators

 YEAR: 7H TEACHER: MS K. MANTZARIS

YEAR 8 COORDINATORS' REPORT

The year 8's began 1998 with a great deal of enthusiasm and anticipation. As the year wore on, the students began to settle well in to their new classes and to appreciate the fact that they were no longer the "babies" of the school.

The students have been involved in a variety of extra curricular activities this year. Many students showed their talents in the Choral Festival and the school production of "The Three Musketeers", either as actors and singers or as backstage crew. School events such as English Week, History Week and International Week saw many year 8 students participating.

As we have seen in past years, school sport was a big favourite with the year 8 students. Many competed in school athletics and swimming carnivals as well as representing D.H.S. in inter-school sporting teams.

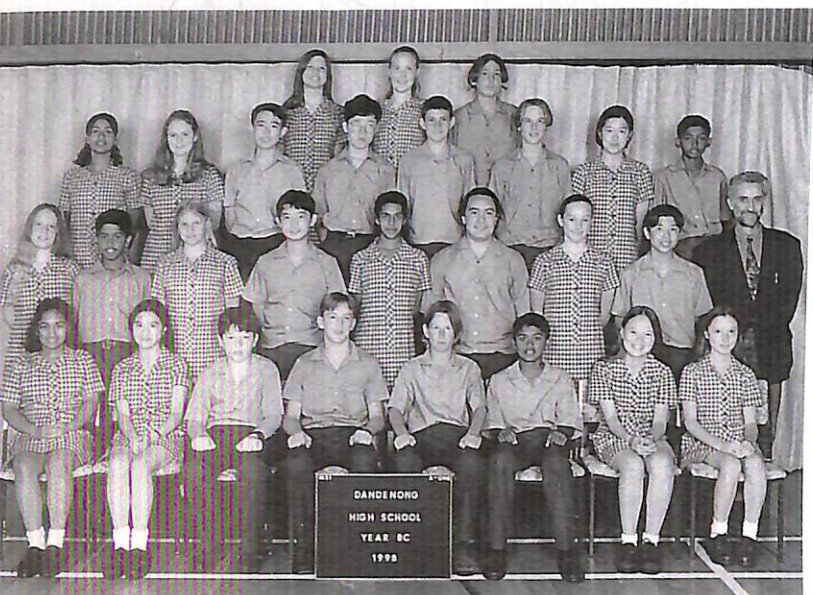

Throughout the course of this year we have seen the students grow and develop educationally as well as socially. It has been apparent to all year 8 teachers and ourselves, as year 8 co-ordinators, that many of the students have matured greatly over the year and we wish them good luck and hope that they continue with their good work next year.

Ms. Wolff & Mrs. Filipou.

MUSIC

The House Chorals were held on Monday 6th April in the School's assembly hall. Choristers from all four Houses presented the set song "Linstead Market" as well as a free choice song. The winner of the evening was Clematis with 86 points. Well done to all the houses who participated. The adjudicator was Mrs Blanka West, singing teacher at Mentone Girls and McKinnon S.C. She complimented the students on their efforts and the standard.

D.H.S. is one of the only schools offering the VET Music industry skills course. This is a level 2 TAFE certificate with which VCE students can gain bonus points. Students from 8 schools attended the course every Wednesday morning, some staying for VCE music performance classes in the afternoon. Students developed skills in sound and lighting, equipment techniques, aspects of the music business, copyright, sound recording and acoustics. A music video and demo tape were also produced.

This year PE has had an exciting year, that has seen the opening of the new gymnasium complex (To regular users "the Gym"). For the staff and students this has meant lessons and units of work could be undertaken in a modern spacious environment. During the wet winter months student learning has been more productive due to the vastly improved teaching and learning conditions. At lunchtime this year many more students have been involved training in a range of sporting activities.

The enthusiasm of both staff and students has been heightened by the use of the desirable teaching and learning environment that the gym offers. PE WEEK During October 12 - 16 PE week was held. During lunchtimes each form group was invited to submit a team for an inter-form Volleyball contest. Teams consisted of 10 players, five male and five females. A competitive but fun competition resulted. On Thursday, October 15, Year 7 students attended an excursion to Springers Leisure Center. Each form group participated in many activities ranging from Basketball, to Indoor Hockey. A great time was had by all.

MR W HAWORTH (P.E. COORDINATOR)

PE WEEK

SPORTS

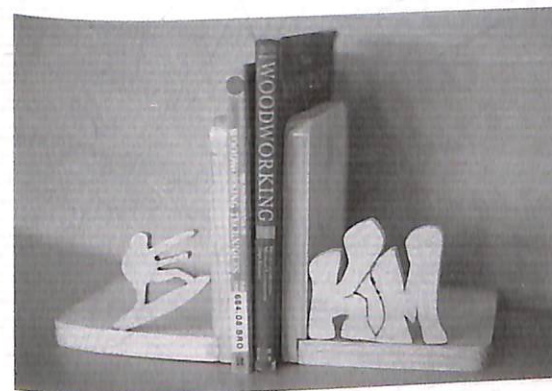

The students doing pottery this year have learnt about the basic hand building techniques that are used to build pots. These techniques include Pinch, Coil and Slab. Students have also looked at the tools that are used in pottery, the terms, and how clay is processed; a little about the science behind the art.

The junior level students have come up with a number of creative and interesting designs for the construction of their pots. Basically the students developed an idea on paper, which they then carried on through to building in clay, then decorating glazing and Kiln firing their work to reach and end product.

While pottery is only a small subject in the school it offers many students a chance to express their more creative side creating masks, pots and a wide variety of ceramic objects. All students should feel proud of the work completed this year.

A. Congdon

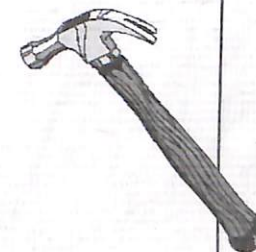

We are pleased to report that this year, not only have we had a Year 9 Metalcraft class but also both in Woodwork and Metalcraft, we have had a great number of girls taking on these subjects. This year 5 girls have chosen Yr.9 Metalcraft and year 9 and 10 woodwork has 6 girls. Some of our girls have also felt confident enough to pursue woodwork in particular, at V.C.E levels for 1999. We are hopeful that more girls will pursue future classes with intentions to perhaps take on careers in these fields.

The work produced this year in both Technology

areas has been both creative and innovative. Year 7 and 8 Metalcraft have produced clocks, key tags and sugar spoons, while year 9's have made jewellery from sterling silver, designer dust paris, elaborate candle holders and chain constructions. Year 9, 10, V.C.E woodwork students have made many innovative designs such as video and T.V. cabinets, wall units, coffee tables, bedside tables etc. All students have managed to gain many skills and experience in these areas, proof of this is the fabulous work completed throughout the year in both Metalcraft and Woodwork. Ms. Skoufis & Mr. Grant

METALCRAFT

YEAR 9 COORDINATORS' REPORT

Year 9 can be a very difficult year for a number of students as they face the challenge of entering their middle teens and start to think about future careers and directions. It can also be a rewarding year as a large number of our students have involved themselves in extra curricular activities.

In sports our students have been involved in such areas as athletics, swimming, cross country, soccer, tennis, netball, table tennis, cricket, and football. The boy's netball team excelled going on to become state champions whilst the girls finished 3rd in the all high finals.

Year 9 students also featured heavily in the Arts extravaganza at the Dandenong town hall, tried out for roles in the talent quest, had roles in the school production of "The Three Musketeers" and our drama students also performed at the opening ceremony for the new Gymnasium.

One of the highlights of the year is the international week assemblies and once again Year 9 students were prominent.

From our point of view we were extremely pleased with the contribution made by our Year 9 students this year and we encourage next years Year 9 students to share the same enthusiasm.

Ian Pegram
Kellie Mason

INDIVIDUAL STUDENT ACHIEVEMENTS - ART AWARDS

- Jia Li of Year 11 won the prestigious Dandenong Community Youth Movement Award. She also received the following three awards:
 - Honourable Mention - Dandenong Rotary Club
 - Dandenong Art Club Encouragement Award
 - Honourable Mention for the Best Portrait or Character Study.

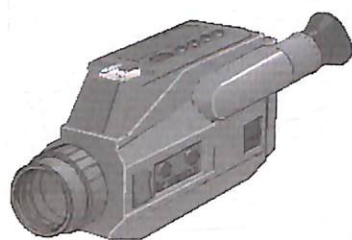

CLASS ACHIEVEMENTS

- The talented Year 8H class received a commission to produce a handpainted curtain in tones of yellow for the permanent collection of the Zart Art Gallery in Box Hill.
- Several 8F and 8H students exhibited their 3D Jewellery work in the Zart Art Gallery.
- Year 7 students produced some superb posters for the International Week celebrations.
- Fifty one students at the Junior Level received Honour Certificates for their entries in the Dandenong Festival of Youth Art.
- The Year 8 Accelerated Learning Programme and VCE Units 3 & 4 were offered for the first time with pleasing results.

SPECIAL EVENTS

Practising artists such as Abdul Kalfut provided lectures/demonstrations to inspire our students. The "Arts Extravaganza" events were also very successful. Dandenong High School was the venue for the opening of the '98 Extravaganza. We joined Cleeland and Joseph Banks Secondary Colleges in exhibiting some outstanding Art work in the new Gym Complex Foyer. The Music, Textiles, Drama, Woodwork and Art Faculties presented work at a number of venues in the Dandenong region. Students also enjoyed participating in the annual Dandenong Show later in the year.

Mrs. L. Giliberto (Art Coordinator)

Media studies at Dandenong High School continues to grow at a rapid rate. We have always had a strong commitment to the traditions of black and white photography and this has continued throughout 1998. We have, however, acknowledged the growing importance of digital imaging within the media world and this has been reflected by our purchase of a state of the art 'Casablanca' editing system and two multi-media computers for student use. These have been in constant use for our year 12 students for their CAT's and other practical work. Students involved in year 12 have also extended their repertoire by completing paid work for outside organizations. Our Middle School students have had the opportunity to use video and 35mm Pentax cameras as well as the recently built dark room. Many of these students have had their work exhibited in various forms around the school and particularly in the foyer of our new gymnasium. Several year levels enjoyed excursions throughout the year visiting Melbourne City, the Art Gallery Channel 7 and Dandenong Market among others. 1998 has been another challenging year with our first group of VCE students completing their studies in this course. We wish them well in the future and hope that they put to good use the skills they have acquired throughout their Media Studies

It seems that Food in our community is as popular as ever. Whether you take delight in preparing meals, cooking for others or simply sitting down to a mouthwatering feast, food has been and still is a popular social and physical need.

This seems evident again this year with our school community at Dandenong High School. This year we had a large group of students pick up Food Technology as an elective i.e. 3 x year 9 classes, 3 x year 10 classes and a year 11 and 12 class. Overall 400 students took part in courses offered this year, many of which are looking into Foods areas as part of their careers in the future.

We also had some success in showing the school and the state what our Foods students are capable of. The students in the Year 9 & 10 classes completed a variety of catering exercises which involved them in the planning and producing of foods for staff functions, sell outs, take homes, restaurants and official school presentations, like the opening of the school gym. We also had a group of students enter into the Victorian Cook Off competition, which they worked hard on, and were very successful in their presentation on the day. Home Economics/Food Technology at Dandenong continues in providing the students here with well planned courses, good facilities, enthusiastic staff and many opportunities to show what these creative and talented students are truly capable of.

Christine Oliphant
(Home Economics Coordinator)

In 1998 we were fortunate to start off with new furniture in both textiles rooms. Basic skills in sewing were learnt and new and exciting projects were undertaken. The various embroidery stitches were put to good use in the form of personalised pockets and craftwork. Surf logos, cartoon characters, television shows and movies were amongst the designs chosen for workbags. Acquiring skills to successfully use the sewing machines was a feat. Using this

knowledge and expertise, students demonstrated great skill in the production of their workbags. Some were truly magnificent.

Aprons were next on the agenda with a variety of designs, shapes and themes being made. E. Hue in year 7 did a fantastic job on his apron basing in on the television series "South Park"

Boxer shorts followed. These were a real hit. Students felt a sense of achievement with their individually designed and unique creations.

Textiles was seen as a cost-effective leisure pursuit, with the realisation that it's more economical to make than buy. Also a sense of fulfillment was achieved upon the completion of work.

YEAR 10 COORDINATORS' REPORT

1998 has been an extremely busy and rewarding year for Year 10 students in both their academic life and also in the extra-curricular opportunity students have taken up during the year.

The Work Experience Program held during May and September was extremely successful. Our students excelled in a wide range of endeavors and employers found them to be highly motivated, reliable and excellent ambassadors for Dandenong High School.

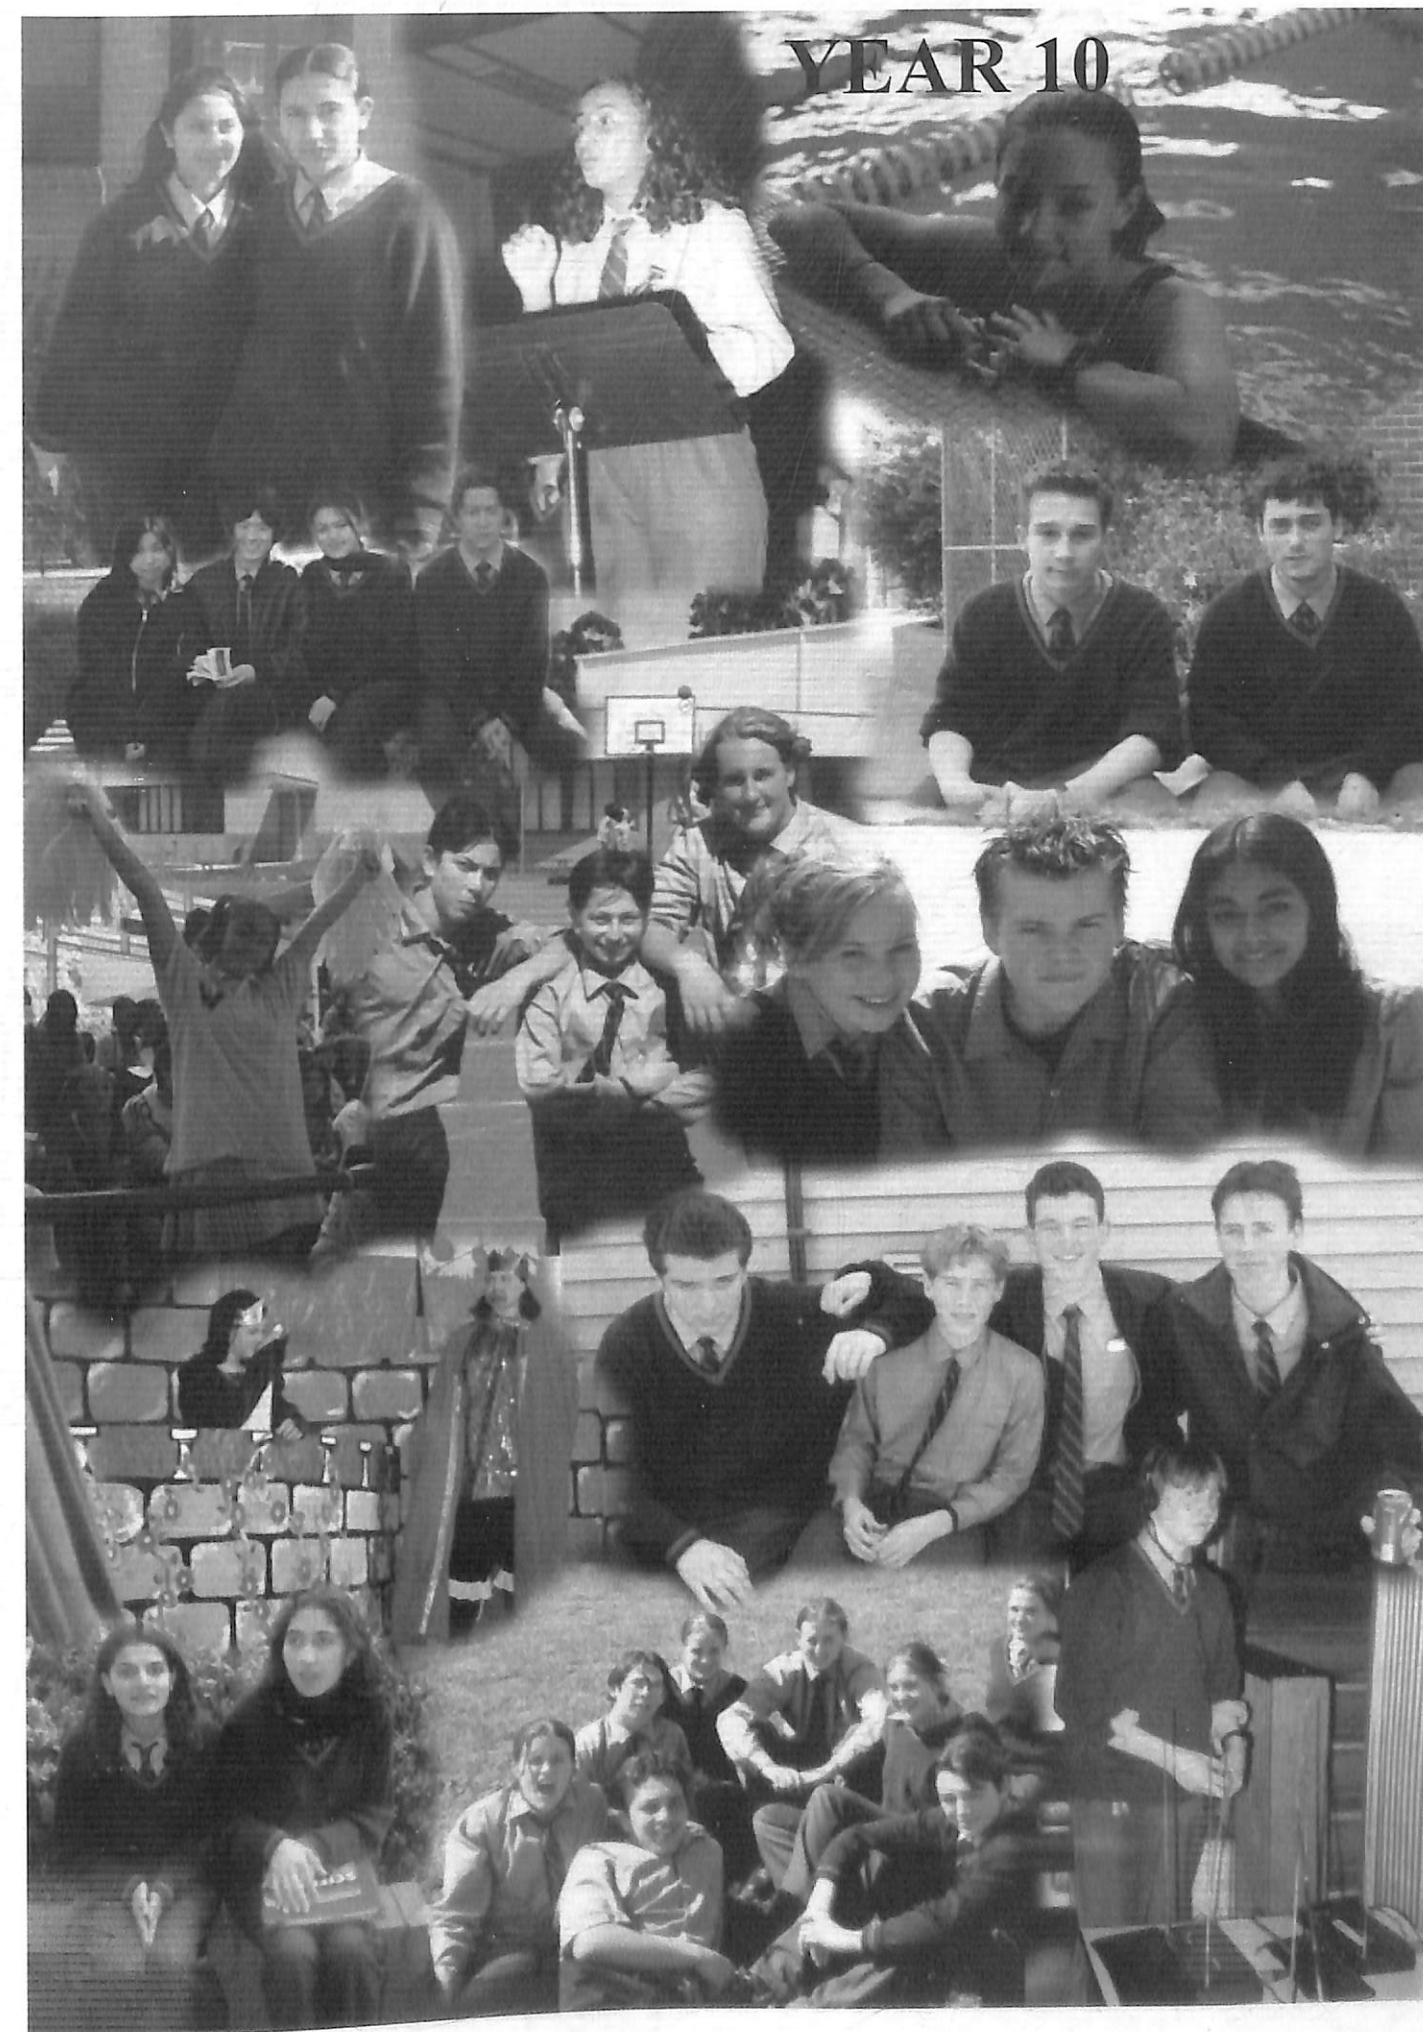

Our students coped admirably with their first experience with a Formal Examinations program which was held at the end of Semester One and Semester Two. They settled down well to the demands of such an experience, displaying both maturity and commitment to the challenges presented.

As always our Year 10's offered their support to such charities as the 'Red Cross' where a large number of volunteers participated in the Red Cross Door Knock by acting as collectors during their own time. During the latter part of the Year a number of our students undertook Peer Support training so that they may be Peer Support Leaders working with Year 7 students next year.

Students participated in Mathematics, Science, Home Economics and Art competitions. Students from the Home Economics area also represented the school at a major 'Cook Off' in Melbourne. We were also fortunate to have a guest speaker, Ms Marilyn Leder, Story Analyst with such TV shows as Frasier, Seinfeld, Third Rock From the Sun and Mad About You, presented a motivational talk to the Middle School.

There were always willing students who participated enthusiastically in the Sports Programs and Sporting Carnivals, Chorals Festival, International Week and Technology Display evening.

Mrs. Hayes, Mr. Bond and Mrs. Steadman would like to take this opportunity to congratulate the Year 10 Class of '98 on their completion of a successful year at DHS. We also wish our students and their families the best for next year and hope that they have a safe and enjoyable holiday.

English

English teachers clutching red pens and mountains of correction are celebrating the technological age because increasingly students present beautiful, computer generated essays - easy to read and already subjected to the rigours of the spell-check. The advantages of word-processing software have revolutionised the drafting and editing process for students both at home and at school, and this is being shown in the excellence of writing at all levels, particularly in the year 12 CATS 1 and 2,

where the analytical, persuasive and creative writing skills of many of our students have been outstanding this year. Congratulations to the students who entered their writing in the Dandenong short story competition, in the open, junior and ESL categories. The originality and honesty of our students' writing is a big part of what makes our work so rewarding. Congratulations also to those students who represented DHS and made us so proud of their public speaking skill in our first year of inter-school debating for many years, with the guidance of Mrs. Saris. The frequent staff vs student lunchtime debates held before large and appreciative audiences were a tribute to the wit and wisdom of both staff and student debaters. Student wit proved to be equal to staff wisdom in about equal proportions, which is probably a reflection of what generally happens in all English classrooms. We wish our year 12 English students all the wit and wisdom they will need in their forthcoming exams in 1998.

Sue Moorhouse. English Coordinator.

an underground mine and browsing at the fascinating array of fashion worn in those times.

During History Week in August we had a display of American Confederate material in the library to fit in with the Year Ten Learning Activities. This was kindly provided by the Victorian Historical Re-enactment Society. We had a debate comparing the merits of music in the 1960s and the music of the 1990s, and we congratulate the 8C girls for their skills on that occasion in which Ms Balfour and Ms. Rowlands were defeated. On other days Ms Lobocon conducted a Bulletin quiz, Mrs. Brito had a poster competition and Mrs. Marini ran a most successful Trivial Pursuit.

Dr Henshaw

History

Maths

Once again it has been a very productive and rewarding year for a number of our mathematics students. Below I have listed some of the outstanding results and participants.

The Mathematics Challenge Competition (national, 1 month long competition)

Distinction: Year 7 -Markiyan Stefyn, Year 8-M. Chan, K. Thanaplan, J. Thani, A. Wan Credit: Year 7-L. Zeng,

M. Shah, Year 8-K. Ng, W. Tuo, N. Conway
Year 9 -H. Dang, Year 10 W. Wu

The Australian Mathematics Competition (224 entrants)

Year 7 1 Prize 1 High Distinctions 11 Distinctions 7 Credits

Markiyan Stefyn, Abhirup Lobo, Lousia Wang, Lisa Zeng

Year 8 3 High Distinctions 19 Distinctions 41 Credits

Souflis, Alyoxia Wang, Krishnaraj Thanapalan

Year 9 1 Prize 6 Distinctions 13 Credits

H. Dang, S. Glonek, W. Ma, M. Sroya

Year 10 7 Distinctions 21 Credits

T. Lin, J. Li, M. Zavenkov

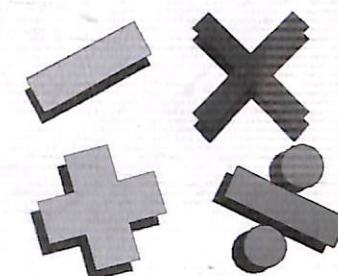

Year 11 2 Prizes 1 High Distinction 2 Distinctions 2 Credits

J. Li, X.Liu, A.Zhang, S. Sun, F. Dong

Year 10 Games Day Competitors

W. Wu, G. Hua, B. Erdem, J. Li, N. Rupasinghe, M. Jong, H. Chau Dick,

T. Lin. Mr K. Sampson-Mathematics Coordinator

Computer

A number of new developments in Information Technology have occurred this year.

- For the first time at DHS, students have a degree of Internet Access available in the Library as well as access to various CDROMs to assist in gathering information and widening the degree of student research facilities available.
- A number of new computers have been installed in rooms L31, A10 and B7.
- Staff have prepared computerised semester reports for Years 7 - 10.
- Over 25 staff are currently obtaining laptop computers.

Currently, we are working at improving the resources further by:

- replacing the Apple computers in L23 with new computers
- adding a room of computers to room L25
- updating the operating systems and application software available to students
- adding Internet browsers to assist in implementing the new EduNet Internet Access system across the student computer network in A41, L22, L23, L25 and possibly other computer rooms to allow student access to 'safe' Internet sites

Also, 10 students recently participated in the Australasian Computer Knowledge Competition sponsored by the University of NSW and the following received academic awards. Congratulations!

Markiyan STEFYN Year 7
Dane KNEZIC Year 8
Alyoxia WANG Year 8
Kerwin LEE Year 7

YEAR 11

Coordinators' Report

1998 has seen some changes in the year 11 co-ordination team. Mr Gow took leave after the birth of his triplets and Mrs Venning took on a job with the "Turning the Tide" Drug Education program. Mrs Pearce and Mrs Komen became the new co-ordinator's.

We have generally been very pleased with how the year 11's have gone this year. During first semester many of the year 11's gave up their own time to work as Peer Support Leader's for the year 7's. We thank them for their great contribution. Some found the experience very rewarding and exciting, but others found it quite challenging.

In English, all students completed a Communication Project. As the final date drew near, we had lots of students feeling very frazzled and wishing they had been more organised. None the less, some outstanding projects were completed. We received many compliments from the local primary schools and who can forget the fashion show organised by Ali Musai and Vanessa Ricaud!

The year 11's played a big part in the International Week concert, producing high quality acts.

Darren McLeod and Sebastian Glazebrook did a fantastic job as comperes!

In sport, we had many competitors from year 11. At times it's hard to juggle the demands of work requirements and still participate in school teams. It is important to keep active and healthy so the effort of the competitors is much appreciated.

Jia Li and Xianzhang Liu both received prizes in the Australian Maths Competition. They were both in the top 1-% of the state, which is an outstanding effort.

Dale Conway deserves a special mention. He has made an extraordinary contribution to the life of the school through his involvement in the sports and drama program. Despite all the time he's put into these activities, he's managed to be the top academic student of the year level.

Good luck to all of you in year 12!
(Mrs Pearce and Komen)

MUSIC PRODUCTION

THE THREE MUSKETEERS.

Dandenong High School only has a musical production every two years, so it is easy to understand why everyone was looking forward to this one. However, producing a musical is not easy work. It took a lot of time, effort, hard work and especially patience to make this production a success. First of all there was the audition process, and having myself taken part in this production I know how hard it must have been for Ms. Vrisk and Ms Balfour to decide who should get which part, as there were so many talented students. After the parts were given, rehearsal began. All the cast attended a two day workshop and after that the students and teachers sacrificed time after school and lunchtimes to rehearse. However, after all the hard work, the day arrived for our first performance. Backstage everyone had the jitters, yet as soon as we got on stage, we all calmed down and gave a good performance. Over the next week, there would be matinees and night performances every day and we all couldn't wait until Saturday which was our last performance. This night was probably the funniest as all the cast played practical jokes on each other. I'd have to say that the best performance of all was Friday night, as the musketeers remembered all their lines (for once) and everyone felt more comfortable on stage. Besides the odd muck up, such as the Sisters of Mercy's whips getting tangled during their whipping frenzy, the night was a success. However, the production would not have been successful without the hard work of Ms. Vrisk, Ms. Balfour and the production band.

By Bronwyn Gleeson.

A large number of students participated in the different sports offered. A number of teams did extremely well with three teams participating in the V.S.S.S.A State Championships this year. Dandenong High won thirteen Dandenong District Flags.

Year 7 Boys' Badminton, Year 7 Boys' Table Tennis, Year 8 Boys' Soccer, Year 8 Boys' Basketball, Year 8 Girls Squash, Year 8 Girls' Table Tennis, Junior Boys' Netball, Inter Girls' Tennis, Inter Girls' Softball, Inter Boys' Basketball, Inter Girls' squash, Inter Boys' Netball and Senior Girls' Squash.

The Intermediate Boys' Netball team won the V.S.S.S.A State Netball Championships and so are the best team in Victoria. The boys never lost a game in the lead up to the All High. Congratulations to all team members and their coach Mrs Oliphant.-

M. Jarvie: M. Vasic: J. Mitchell: C. Fernandez: A. McGee
A. Ferguson: J. Chase: S. Fredricks.

The Junior Boys' Netball team were Runners-up at Southern Zone and qualified to play in the V.S.S.S.A State Championships, finishing third in the State. A fantastic effort by all team members.

T. Sumer: N. Conway: A. Mutlu: K. Thomas: E. Ileri: R. Xie: R. Comejo: P. Lay: T. Harris: J. Li.

The Intermediate Girls' Tennis team were Runners-up at Southern Zone and finished 6th in the state. Again congratulations to all team members and a special mention of N. Rupasinghe's outstanding results as first seed.

Team members were: N. Rupasinghe: B. Mitchard: K. Mitchard:
A. Papathanasiou: K. Stewart.

Futsal Indoor Soccer Championships

N. Tairovski and R. Krasniqui organised and coached a Senior Boys' Indoor Soccer team to enter the Victorian Futsal 5- A-Side Championships. Mr Sitnai took them on Tuesday 26th May, where they played a round robin and came first in their division. They returned to Coburg on Friday for the finals and, unfortunately, lost in the semi final. Well done to all players - S. Ieremia, S. Ozcetin, E. Kurt, S. Mocan, T. Tairovski, A. Vielma, C. Aranda, E. Serbest, N. Bazelis, C. Mocian and A. Baran.

Thank you to all coaches for their effort and time.

Debutante Ball

It was the event that the senior girls of Dandenong High School were waiting for. For months the debutantes and their partners spent every Sunday rehearsing their dances for the night that would change their lives. The night went smoothly and was enjoyed by everyone. Family, friends and teachers were all there to witness the big event and as the debutantes and their partners stepped out on to the dance floor all groomed to perfection, we all felt proud to be part of the event. After the dancing everyone sat down and enjoyed the three-course meal, yet it was what was to come that everyone was really waiting for. As soon as the curtains opened up and the band began to play, parents, friends, teachers and even little kids began to dance. It was worth the money and time to attend the Debutante Ball just to see the teachers, especially Mr. Uwins and Mr. Eadon get down and boogie to the Village People and the traditional debutante song of My Chersona. It was the one night where everyone came together and had the time of their lives. The night went on until midnight and everyone was sorry when it ended. But for the young, the night was just beginning, for after the debutante ball was the after party, which I think most were looking forward to more than the actual ball itself. However, all in all, the night was a complete success and it was enjoyed by young and old.

The annual international week assembly that took place on Friday, 11th of September was just a brilliant success .

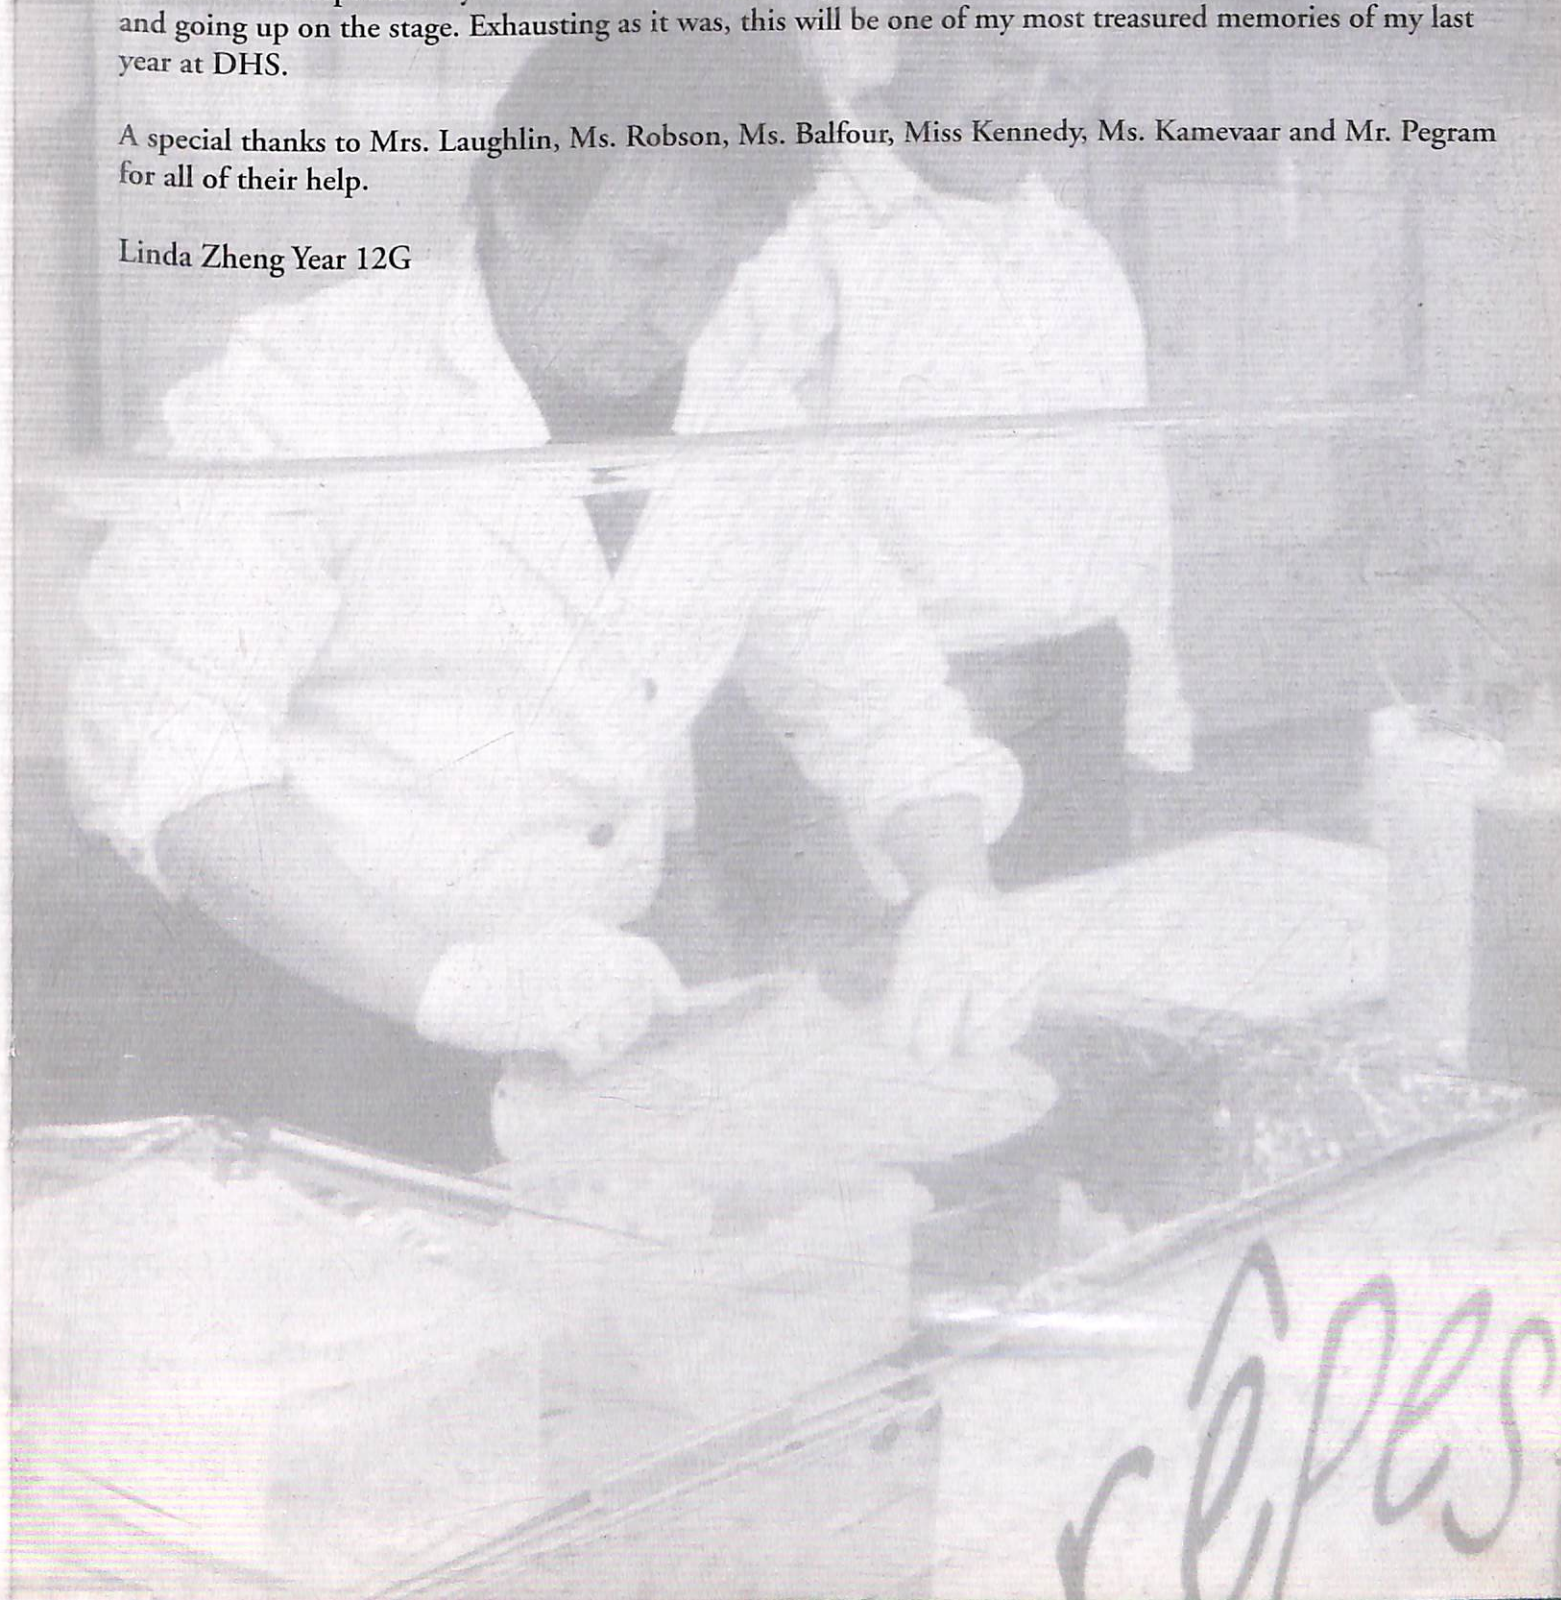

It was only with the help of many teachers and interested students that the concert could be held.

Backstage, students from different cultures were all proudly representing their traditional background in song, dance and dramatic performance . As a year 12 student, I have been in the band or the audience on many occasions. but to participate as a performer in a cultural item is a whole new experience. Not only was I displaying part of my history to a variety of cultures, I was displaying something taught to me by my parents who were taught by their parents and so on.

This year, I participated in a fashion parade modelling a traditional Japanese costume. Although it's a pity that I couldn't represent my own Chinese cultural background, it was great fun to be part of it - dressing up and going up on the stage. Exhausting as it was, this will be one of my most treasured memories of my last year at DHS.

A special thanks to Mrs. Laughlin, Ms. Robson, Ms. Balfour, Miss Kennedy, Ms. Kamevaar and Mr. Pegram for all of their help.

Linda Zheng Year 12G

Year 12

Coordinators' Report

The Year 12 coordinators would like to thank all the students for their efforts in upholding the school ethos and achieving their best possible results under all forms of duress. The "Class of '98" has climbed a lot of mountains and jumped a lot of hurdles in the last 9 months. The list below will give you some idea of how challenging VCE can be.

They have laboured and struggled through an average of:

- 48 Work Requirements (some even more!)
- 15 Common Assessment Tasks
- 16 weekend assignments
- 7 Year level meetings
- 11 forms or applications to fill out
- 10 Careers sessions - with Mr. Feher no less
- 18 sports teams, 1 production, 1 chorals, 1 International Assembly
- 913 lectures from Mr. Hind & Mr. Uwins
- 8,762 cups of hot chocolate
- 2 Common Room lockouts
- 1 fire drill
- 42 computer disk error messages on the date the work is due
- 22 absence notes stating "I have to meet my sick uncle from Europe at the airport"....

...and managed to squeeze in a very small amount of socialising (never in school time!).

We should take this opportunity to thank the hard working and dedicated staff who have made significant and lasting contributions to, not only the students' VCE and ENTER scores, but also to their personal development. The teachers professional application can never be underestimated.

We would also like to thank the students for their cooperation with many administrative and scholastic matters that arose throughout the year. Most students have been diligent in the pursuit of their studies and will benefit from a fine set of results at the end of the year.

For us personally, we have found this year's students to be an eclectic array that has been very sociable and mixed well under a variety of circumstances.

The highlights include:

- Mad Romanian soccer heads
- Gas bagging Sri Lankans
- Turkish career girls
- Serbian socialites
- Italian net surfers
- Chilean redhead
- Irish drummer
- Yugoslavian basketball fan
- Chinese Collingwood supporter
- Hampton Park ring-ins
- Afghanistan twins

As always it is a wonderful experience working with such a great diversity of personalities, cultures and backgrounds; these aspects were a highlight of our job as Coordinators this year! We are truly a multicultural and multifaceted group that epitomises so many of the great values and traditions that are entrenched in our exemplary school community.

Congratulations on all that you have achieved so far in your lives, especially in your time here at Dandenong High School. We hope that you take with you many good memories of your time here. It is hoped that you have opened up a number of opportunities that will assist you on life's journey. All the best.

Neil Uwins & Rod Hind

Graduation Dinner

Whether it be by Limo, a Grendas bus or Mum's taxi the Year 12's dusted off their uniforms for the last time and threw on their evening ensembles making them almost unrecognisable. While the boys donned evening suits the girls filled the rooms with their lovely satin, crepe and chiffon dresses beautiful enough to even make Cinderella jealous.

The Year 12's mingled hugging and laughing at the photos and quotes that displayed their own individual histories at DHS. Mr. Uwins and Mr. Hind shared with the rest of the guests some stories of events that had occurred over the last 6 years that had made this group of graduates unique.

As the night went on the students danced and partied inviting their (generally uncoordinated) teachers up to join in their dance floor antics. These Year 12's shared laughter and tears for what was to be for most of them, their very last time together.

On behalf of your teachers I would like to say that, as usual, you made us proud guys and we will miss you. Don't forget us and know that we will never forget you.

THE TEACHERS

Miss Ellins: *No you can't have anything because you already owe me money.*

Mr. Hind: *Good answer.*

Mrs. Balfour: *Out Out you damned spot/ Is there frivolity in this classroom?*

Mr Uwins: *Did you dye your head red to look like me?*

Miss Saris: *Jiaming, you have a better car than me.*

Miss Brito: *Okay.*

Miss Moorhouse: *It's totally wet.*

Mr Eadon: *Oh when the saints.....*

Mr Feher: *You can always dance on tables.*

Mrs Filippou: *Yay.....Nay.*

Mrs Giliberto: *I'm going to scream.*

Mr Grieg: *No one likes my jokes.*

Mrs Joza: *I'm so stressed today.*

Mrs. Lal: *I've never had a class as bad as you.*

Ms Marini: *Grow up.*

Mrs. Oliphant: *I love you dearly Mark but you're a waste of space.*

Mr. Pegram: *Have you ever had the feeling that I wasn't telling you something?*

Mr. Ong: *What a lurrrrving !!!!!*

Mr. Sampson: *You're up the garden path.*

Mrs. McCurdy: *Sit on that chair properly.*

Mr. Shiels: *Can I help you?*

Mrs. Smith: *That's all garbage.*

Mr. Sitnai: *You little bobbies.*

Mr. Taylor: *Get a hair cut Bronson.*

Mr. Turner: *What do you want me to do? Dance on top of the table or something?*

Mrs. Pearce: *Did you mix the whites with the reds? (Re: Pink jeans)*
