Hollywood hams at the Plaza

WHAT did Ginger Rogers say to have Marilyn Monroe in stitches?

Hollywood star imposters Dianne Reid (Ginger) and Fiona Boswell (Marilyn) were having a wow of a time with their old

mate Fred Astaire, alias Simon Meates, entertaining the hordes at the opening of the new Dandenong Plaza last Wednesday.

Monroe, Rogers and Astaire hammed it up at Johnny Rockets cafe where they

even upstaged the staff show. Next Wednesday, there will be another celebration when Premier Kennett officially opens the Plaza at 6pm.
