## Massive end of lease sale

Buy a special piece of jewellery for someone you love this Christmas at a heavily reduced price or even below cost at Showcase Jewellers, Dandenong.

Owner Darren Harris has decided not to renew the lease on his store, which opened nearly a decade ago. Instead he has reluctantly decided to close the doors, probably before Christmas.

With no relocation plans, all stock must go and has been priced accordingly. Showcase Jewellers' end of lease sale offers a rare opportunity to purchase Swarovski crystal jewellery, a beautiful piece by Von Treskow or Thomas Sabo diamonds at never to be repeated prices.

There is a wide range of gold and silver jewellery to be cleared, with many items marked to below cost.

"We want to sell our entire range of stock

rather than move it," explained Darren.

He warned shoppers not to delay as stock is already selling fast and once it is all gone the doors will close for good.

"There really are some incredible and extraordinary bargains which always happens when a store needs to close," said Darren.

He thanked the many customers who have supported the business over the years, many of whom have returned multiple times to seek the trusted advice of Darren and his staff.

He said it had been a privilege to help customers choose jewellery for special occasions such as engagements, weddings, anniversaries, births and significant birthdays. You will find Showcase Jewellers at shop 338, level 3 Dandenong Plaza Shopping Centre on the Corner Walker and, McCrae streets.
