Shoppers ready to score a bargain

Retailers at Armada Dandenong Plaza are gearing up for this year's Black Friday sales.

Shoppers will be able to snare a range of tech deals on Friday, November 29, including discounts on phones, fitness gadgets, laptops and gaming systems.

What goes on sale will be a secret with many retail floor staff only finding out days before the launch as competition between retailers gains momentum.

Centre manager Monica Jenkins said Black Friday sales had become a big event for the Plaza over the past

couple of years with shoppers using it to kick start their Christmas shopping. The centre will be giving shoppers the chance to win a \$500 centre gift card every day from November 25 to 29.
